

# MUSIC ENSEMBLES

## in Bath & North East Somerset

Do you already play a musical instrument?  
Do you want to extend your skills, meet and  
perform with other like-minded musicians?

Then you should know that...

...The B&NES Music Service operates 5 music centres  
across the authority involving 400 pupils each week

...Each music centre is run by specialist staff who offer  
expert advice and challenging musicianship

...Weekly activity includes a full Symphony Orchestra; a  
Symphonic Wind Orchestra; Youth Choir; Brass Bands;  
Guitar Groups and many more.

...All the groups give regular performances; play in big  
venues; have residential courses; take part in festivals;  
go on foreign tours abroad.

...Students develop their skills as musicians, progress  
through the ensembles and have a lot of fun on the  
way!

See on the reverse for a list of all the music centre  
activities!
