Housing Options and Homelessness Team

Tel: 01225 396296

We give free and confidential advice on the housing options available to you if you have to move out of your home or you are homeless.

We help to prevent homelessness by negotiating between tenants and landlords, giving benefit and debt advice and putting young people and their families in touch with family mediation services.

Supported Lodgings Team

Tel:01225 477802/396005

We arrange safe and supported private lodgings for young people. Lodgings providers help young people in their transition to independent living.

Housing Standards and Improvement Team

Tel:01225 396444

We help disabled people improve their homes by giving grants for essential adaptations such as stair lifts and level access showers.

We help vulnerable home owners improve their homes with free advice and low interest loans for essential repairs for example a leaking roof or lack of heating.

We help all home owners and tenants by giving free energy efficiency advice.

We give advice to landlords and private and social tenants about housing disrepair, fire safety, and management of properties, gas and electrical safety and overcrowding. When necessary we will enforce action to repair homes.

We visit and inspect rented homes, licence Houses of Multiple Occupation (HMOs) and provide a property Accreditation Scheme.
