

Park and Stride Map

Since May 2026, a School Street has been in place outside St Stephen's Primary School. During its operating hours, most vehicles will not be able to enter the north end of Beacon Road (between the junctions of Richmond Place and Richmond Lane). The restriction times are 8:15 to 9:00am and 3:00 to 3:45pm, Monday to Friday during term time.

We know that some families will still need to drive. But you can help us reduce congestion and keep children safe by avoiding the roads around the School Street, and parking in other streets nearby.

On the map overleaf, we have suggested places to park. These locations will help spread out traffic and make it easier to find a space. From there, you can enjoy a short walk to school, boost your step count, and give children time to burn off energy so they arrive at school refreshed and ready to learn.

Improving People's Lives

Help keep children safe

- ✓ **Drive with care.** If you are driving near school, slow down, park a little further away and avoid U-turns or sudden manoeuvres.
- ✓ **Avoid idling.** Switching off your engine reduces both noise and air pollution.
- ✓ **Park considerately.** Please avoid yellow lines, permit-holder only bays, pavements, zigzag lines and dropped kerbs.
- ✓ **Scoot and cycle safely.** Encourage children to slow down near the gate and walk their bikes or scooters in busy areas.

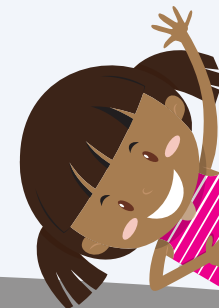

Together, we can make the school run safer, cleaner and more enjoyable for everyone.

Unrestricted Parking

- 1 Richmond Heights area
- 2 Solsbury Way
- 3 Sion Road
- 4 Fairfield Park Road area
- 5 Ragland Lane/
Marshfield Way area
