NOTES

- Do not scale from this drawing. Use figured dimensions only. All dimensions and levels are in metres, unless otherwise stated. If drawing is to be printed, print in colour.
- Design based on OS survey provided by B&NES. Levels and setting out to be checked on site by contractor prior to the start of works.
- All new signs and road markings are to be laid in accordance with the "Traffic Signs Regulations and General Directions 2016" (TSRGD 2016).
- This drawing shall be read in conjunction with all other detailed design drawings, standard details and specifications for works.
- The contractor shall be responsible for establishing the position and status of all statutory utility apparatus prior to commencing any works. The contractor shall coordinate and undertake all works in conjunction and agreement with the affected statutory utility companies as necessary.
- Siting information for signs has been acquired from OS mapping. The site engineer is responsible for determining precise locations for sign installation.
