

# Twinkle Song

- Hold me in your arms or on your lap and rock me to the rhythm of;  
*“Twinkle, Twinkle, Little Star,  
What a special boy you are.  
Lovely soft hair and rosy pink cheeks.  
Bright blue eyes from which you peek.  
Twinkle, Twinkle, Little Star,  
What a special boy you are.”*
- If another adult is around too you could sing me this song as you swing me gently in a blanket.

*Your voice and your rhythm helps me relax ready for stories or bedtime  
and lets me know that I am special to you.*
