## TRANSFER TO SECONDARY EDUCATION SEPTEMBER 2017

### ALLOCATIONS SHEET FOR HAYESFIELD GIRLS' SCHOOL. PLACES AVAILABLE 224

Applications for all schools have been considered under an equal preference system which means that all preferences (1st, 2nd & 3rd) for each school have been considered equally for places under the school's published admissions criteria. If there were any cases where more than one of the school preferences named on the application form could have been met only the highest preference school has been allocated by the Local Authority.

A total of **399** applications were originally received for Hayesfield Girls' School which has a published Admission Number of **224**. As the school was oversubscribed, following any offers of places to children with a Statement of Educational Needs, applications have been considered by the Governors/Academy Trust and places have been allocated in accordance with the school's published admissions criteria stated in the booklet 'A Secondary School for Your Child' and which are listed below in priority order. If, under any of the categories listed, places were offered and refused, priority was given to those who live closest to the school as measured in a direct line between the address point of the home address and the address point of the Brougham Hayes Campus.

**4 places have been offered to children with a Statement of Special Educational Needs** where following appropriate consultation the school has been named in their statement. This child is included within the Admission Number for the school. The initial allocation of remaining places on 01 March 2017 was made on behalf of the Governors/Academy Trust of Hayesfield Girls' School to:

2. Where the girl has a brother or sister, half brother or sister, or step brother or sister residing at the same address and currently attending Hayesfield School and who will be in attendance at the time of admission. **37 Children**
3. Daughters of members of staff who have been employed at the school for 2 years. **1 Child**
4. Up to 12 places to be allocated on the basis of sporting excellence. **12 Children**
5. Within the Greater Bath Consortium boundary, (as defined by Bath & North East Somerset LA), after the allocation of places under criteria 1 and 4, 80% of the remaining places have been allocated to girls living in the Greater Bath Consortium. **134 Children. The furthest direct line distance offered in this category was 1.474 miles.**
6. 20% of remaining places have been allocated to girls living beyond the Greater Bath Consortium boundary. **34 Children. The furthest direct line distance offered in this category was 7.41 miles.**
