Welcome to Bath & North East Somerset Council's Learning Zone

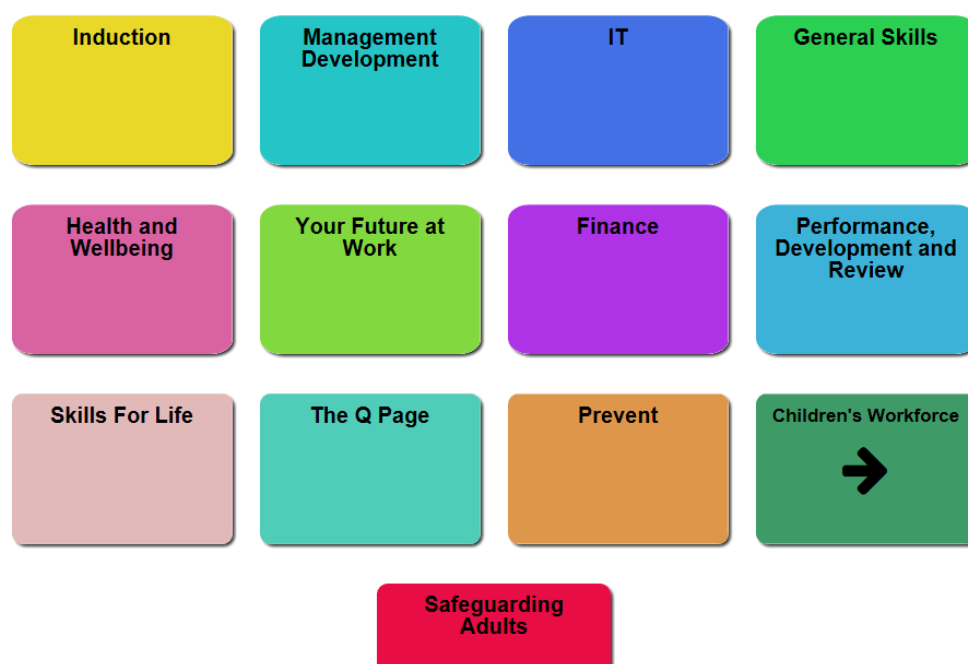

The Learning Zone provides you with access to Tutor-Led courses and E-Learning material on a number of topics relevant to you as an employee and which also addresses some key priorities of the Council.

The E-Learning can be accessed from any computer, either at work or at home. In many cases the knowledge and learning gained from these E-Learning courses can be developed further by attending tutor-led, skills-based training found in the Corporate Training Programme.
