FOR THE ATTENTION OF ALL HIGHWAY USERS

Bath & North East Somerset Council

Bath and North East Somerset Council are consulting on a proposal to stop up sections of Pixash Lane and Stidham Farm Lane in Keynsham. The proposal has been made by a member of the public on the ground that the sections of affected highway are unnecessary. The general effects of the proposals are shown on the below plan.

It is proposed that all public rights are stopped up on the section of Pixash Lane between points A and B on the below plan and the approximately 52m^2 of Stidham Farm Lane which is centred on point C on the below plan; these sections are shown in red on the below plan. Furthermore, it is proposed that the section of Stidham Farm Lane between points D and E on the below plan should be stopped up subject to the reservation of public footpath rights; this section is shown in blue on the below plan.

If you have any comments regarding the above proposals, please ensure that they are received by myself no later than **24 February 2016**.
