

FOR THE ATTENTION OF ALL PUBLIC FOOTPATH USERS

B&NES Council are proposing to change the Public Rights of Way network in respect of Public Footpath CL18/21 in the Parish of Stanton Drew

The general effect of the proposal is shown on the above plan.

The section of public footpath CL18/21 commencing from grid reference ST 6140 6205 at point A on the plan and proceeding in a generally east south-easterly direction to grid reference ST 6155 6204 at point B would be stopped up, as shown by a continuous black line. The new line of FP CL18/21 would commence from point A and proceed in a generally south-easterly direction, via point C, to point D at grid reference ST 6152 6201, as shown by a dashed black line.

These changes are proposed in the interests of several of the owners of the land that the current footpath crosses, as they will divert the path away from a garden, a car park and an outbuilding.

The changes would be achieved by way of a diversion order made under section 119 Highways Act 1980. It is proposed that a gate with pedestrian access at point E be created as a lawful limitation.
