I, Tom Craigmyle, of Court Farm, St Catherine, Bath, hereby swear that,

1. I have lived at Court Farm, St Catherine for thirty years, before which my house belonged to my mother since 1975.
2. I tend to drive to Bath via Northend and Batheaston being the quickest route. I use the lane to the A46 past 'the track' on an irregular basis, perhaps amounting to a couple of times a week.
3. I also walk in the valley a lot, and am very familiar with the rough track to Beeks Mill. It has always been marked 'Private' on a closed gate, and I have always respected that privacy.
4. I raised four sons in St Catherine. They were all cross-country runners, three also rode bicycles and two of them motorbikes: I don't believe any of them ever used the Beeks Mill track.
5. I cannot recall a time when the Beeks Mill track was a Public Right of Way, and I have never seen it used as such.

I swear that the contents of this statement are true to my knowledge and belief.

  
Tom Craigmyle.
