Dear [REDACTED]

Thank you for your letter of 24th January 2017. Louise Fradd has asked me to reply on her behalf.

We fully appreciate the concerns raised in your letter regarding the WHS and we have carefully considered the points and given advice to Cabinet. Cabinet will respond to your points in detail at the meeting later today. You can view the meeting on line and obtain the minutes of the meeting from the Council's web site.

I hope that this reassures you that appropriate weight is being given to the status of the WHS but please do not hesitate to contact me if you have any further queries.
