

Permanent Traffic Regulation Order Statement of Reasons

Scheme Name/number: Saw Close Public Realm Improvements
(Alternative Resident Permit Holder Parking (Central Zone)) (17-011)

STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER

The approved Saw Close scheme design for public realm improvements and associated proposals to manage parking in adjacent areas require space that has been previously identified for resident permit parking. Given the level of demand for resident parking in the Central Zone it is necessary to find alternative provision as close as possible to Saw Close.

This order is proposed so as to facilitate the passage on the road of all vehicles.

Drawing 'Bath_MBTRO_G11_Proposed_Variation No 17.pdf' shows the proposals in detail.
