

A Secondary School for your Child in Bath & North East Somerset 2021/2022

Dear Parent

I hope that this booklet gives you most of the information you will need regarding transfer to secondary school. It provides information about schools in the area and how to apply for a place for your child. In addition, individual schools produce their own brochures which will give you further information. They will also welcome your queries and many of them arrange open evenings for prospective parents and pupils. You will find these details on page 57 in this booklet.

Although more than 90% of local families are usually successful in gaining a place at their first preference school, there is a growing pressure on school places and so we have expanded the application process to allow you to express 5 preferences. Naming 5 schools does not reduce your chances of getting your first preference but reduces the chance of you being offered a school which you haven't requested and could be some distance away.

Transfer to secondary education is an important step and we want to make it as straightforward as possible for you and your child. This will help us meet our commitment to work in partnership with parents and schools to provide high quality education for all children in Bath and North East Somerset.

Yours sincerely

Christopher Wilford

Director of Education

About the information in this booklet

The information contained throughout this booklet refers to policies for Bath & North East Somerset LA only. This document can be made available in a range of Languages, Large Print, on tape, electronic and accessible formats. Please contact the Admissions & Transport Team on telephone number 01225 394312 for further information.

Deciding on a school preference for my child

What do I need to do to apply for a school place for my child?

1. Decide which schools you would like to consider making an application for your child to attend.
2. Read the information about those schools in this booklet. You may also want to read other information about those schools from their Ofsted reports etc. You can read this information online at the Ofsted website www.ofsted.gov.uk or the school may be able to give you a summary of the report.
3. Visit the schools you prefer and ask any questions about things you may wish to know.
4. Check the admissions criteria in the booklet for each school you prefer. You need to check to see if you are likely to gain a place. This is very important as some schools decide their own admissions criteria.
5. When you have all the information you want, decide the order in which to place the schools you prefer. Please consider your preferences carefully as after the closing date any changes made will be dealt with as a late application and your original application will be withdrawn. Your child would then not be considered for a school place in the first round of allocations made in March. You do not have to express a preference for more than one school, but you are recommended to do so as this will increase your chances of being offered a place at one of the schools you prefer. Stating up to five preferences will in no way reduce the chance of being offered your 1st preference school.
6. Make your application and submit it by the closing date.

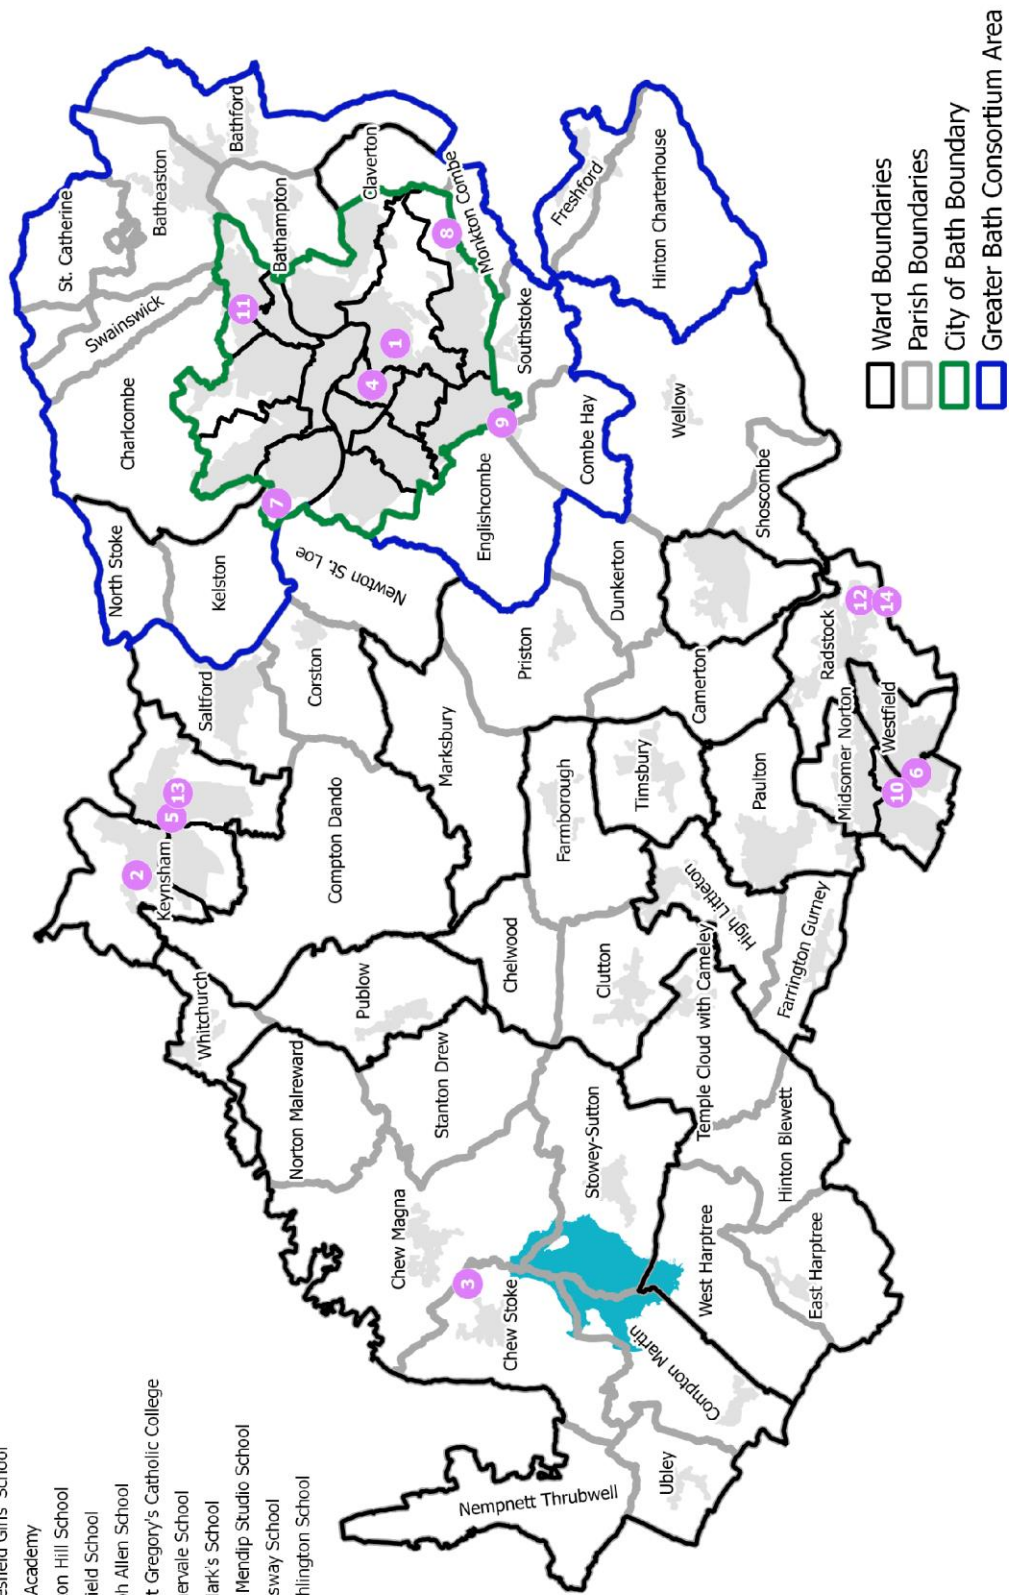

This information is given in far more detail in the booklet. Please take time to read it as it will help you to make your application.

The information contained throughout this booklet refers to policies for

Do's & Don'ts of applying for a school place and an explanation of equal preferences

DO

- ✓ Complete a common application form online at [Admissions to Schools](#) or a paper form and submit by **31 October 2020**. If applying online **do** make a note of your log in details and password as you will need this any time you use the online facility.
- ✓ Express a preference for **5** schools. This means you are increasing your chances of being offered a place at a school you like. All preferences are considered equally* (**** see further notes below about equal preferences ****)
- ✓ Put the school names down on your application in the order you like them.
- ✓ Consider how you will get your child to school.
- ✓ Consider the admissions criteria that will be applied if the school is oversubscribed. This booklet provides details of the admissions criteria for schools and academies in this area.
- ✓ Consider naming your local school as **one** of your preferences. If you do not express a preference for your local school, you will not be considered for a place. This could lead to you receiving an offer of a place some distance from your home address and transport arrangements could prove difficult.
- ✓ Attend school open evenings/open mornings and look at copies of the school prospectus for further information to help you decide which schools you want to apply for. **Some schools will only be holding virtual open evenings/days and tours this year.**
- ✓ Mention Sibling links. If you expect to have more than one child on roll at a school, name the youngest sibling as opposed to the eldest. Read the definition of a sibling in the booklet.
- ✓ Check whether any school you are interested in asks you to complete a supplementary information form (SIF). This is generally a requirement of Voluntary Aided Schools and Academies. Details can be found in their full admission policies, which are available to view on the school's web page.
- ✓ Return SIFs direct to the individual Voluntary Aided School or Academy by the requested date which may be different from the closing date but remember that you must still complete a common application form as well. If you only complete a SIF, you have **not** made an application for a school place.
- ✓ Use the address where you are living as at **31 October 2020** and tell us if you know your address is going to change before 31 August 2021. (**see the booklet for more details about address changes on page 26**).
- ✓ Tell us if your circumstances change.
- ✓ Do fill out all parts of the application form carefully and read any explanatory notes.
- ✓ Be honest. You need to make sure the information you give us is accurate. We may withdraw the offer of a school place where the application was fraudulent or intentionally misleading.

DON'T

- ✗ Miss the deadline for submitting your application form. If you miss the deadline your preferences will not be considered until places have been offered to all children for whom we received an application by the submission date of **31 October 2020**.
- ✗ Assume that you do not need to apply for your local 'area' school. Although the Local Authority will provide you with details of the school(s) that serve your home address you must still complete an application form. Even if you have spoken to your local

school to inform of them that you wish to be considered for a place, this does not constitute an application and is not part of the application process.

- ✘ Assume that you do not need to apply for the school where you already have other children in attendance – you **must** complete an application form.
- ✘ Assume that just because your child attends a particular junior or primary school that this automatically leads onto a secondary school place. You will need to apply for a place regardless.
- ✘ Name the same school five times: this will be considered as one preference. Naming **only** one school does **not** increase your chance of being offered a place at that school.
- ✘ Assume you will be entitled to free transport.
- ✘ Name a school if you don't want a place there.
- ✘ Assume that automatic priority is given to siblings. Often priority is to **local siblings only**. You will need to check the individual admissions criteria for the school or academy to see how siblings are considered. This booklet provides details of the oversubscription criteria for schools and academies in this area.
- ✘ Assume that if one child in the family is offered a place that other children in the family (either older or younger) will also be able to gain a place at the same school.
- ✘ Assume that the Local Authority or a school know that you want your child to attend a particular school without you making an application to be considered for a place.

An explanation about equal preferences

Every year we receive lots of questions from parents who want to know what equal preference means and how it works in practice if they put more than one school name down on their application form. Hopefully the following explanation will help in your understanding.

We recommend you name 5 school preferences on your application as this means that your child can be considered for a place at each of the schools you name.

We publish an admission number for each school. After the closing date we will then know how many preferences have been received for all of the schools and academies in our area. At this stage we know whether the individual schools are either under or over their admission number with the preferences that have been received for them.

If the school is undersubscribed, then any of the children whose parents expressed a preference for the school would initially qualify for a place. However, the preferences could be a combination of 1st, 2nd, 3rd, 4th or 5th preferences.

If the school is oversubscribed, then the admissions criteria must be applied to all the preferences that have been made and the children are initially listed or ranked against the admissions criteria. When ranking the children, all 1st, 2nd, 3rd, 4th or 5th preferences are considered equal. In this way the Local Authority will initially see that some children fall within the admission number for more than one of the schools that were named as preferences on the application. A child can only be offered one school place so in these cases we look at the order you named the schools on your application form and of the schools you are initially qualifying for we keep the highest preference school as the offer.

This includes the higher preference between a boarding or day place if both have been applied for.

This is why it is important to list the schools in your priority order.

The other lower preference school place that your child initially qualified for is then released for another child and the Local Authority continue to use the ranked list to establish who next qualifies for the place if the school is oversubscribed.

It must be acknowledged that the Local Authority cannot always meet parental preferences even if more than one school has been named on the application form. However, by naming more than one preference you are maximising your chances of being offered a place at a school you like, and it does not decrease your chance of qualifying for a place at your 1st preference school.

If you decide to **only** name one school as a preference you can only be considered for a place at that school and this action will **not** increase your chance of being offered a place.

Where parental preference of a school or schools cannot be met then the Local Authority has to offer an alternative school place if you live in its area. The school place offered may not necessarily be close to your home address. It will be the nearest school **with** a place available.

Areas of Prime and First Responsibility for Secondary Schools

Although the LA tries to offer a place to all children living within an area of prime responsibility this cannot be guaranteed because it depends upon the number of children who apply for a place in a particular year. If it is not possible to offer a place, an alternative school will be offered including transport if the pupil is eligible (See Travel Assistance to School).

When you are issued with details of how to make your application for a Year 7 place you will be advised which school(s) serve the address at which your child lives. You may express a preference for any school including those situated outside of Bath and North East Somerset, but you will need to think about the transport implications of this when deciding. You should consider naming your area or local school as one of your 5 preferences to try and ensure you are offered a place at a school within a reasonable distance from home. It should be noted that in the Greater Bath Consortium (GBC) area transport is provided to the nearest appropriate school (excluding St. Gregory's Catholic College) to the home address, providing the pupil is eligible (See Travel Assistance to School).

The GBC area is an area of prime responsibility served jointly by the schools listed below. A map of the GBC area is provided in this booklet. All schools currently provide for 11-18 age range.

Beechen Cliff Boys School
Hayesfield Girls' School
Oldfield School
Ralph Allen School
St Gregory's Catholic College
St Mark's School

If you live within one of the aforementioned areas, you will be given higher priority under the admission criteria than other children who live either inside or outside the GBC.

St. Mark's School has first responsibility for the following areas which fall outside the City of Bath boundary: Bathampton, Batheaston, Bathford (North), Charlcombe, Kelston, North Stoke, St. Catherine and that part of Swainswick outside the City of Bath.

IKB Studio School and Mendip Studio School serve a wider community and cater for the 14-18 age range.

Other areas in Bath & North East Somerset are served by the following schools with each school having a single Area of Prime Responsibility (APR). All schools cater for the 11-18 age range apart from Broadlands School which cater for the 11- 16 age range:

Broadlands Academy, Keynsham
Chew Valley School, Chew Magna
Norton Hill School, Midsomer Norton
Somervale School, Midsomer Norton
Wellsway School, Keynsham
Writhlington School, Radstock

Broadlands Academy serves part of Keynsham (to the West of the River Chew) and those parts of Whitchurch in Bath and North East Somerset.

Chew Valley School serves Bishop Sutton, Cameley, Chew Magna, Chew Stoke, Compton Martin, Dundry, East Harptree, the Felton part of Wrington parish, Hinton Blewett, Norton Hawkfield, Norton Malreward, Nempnett Thrubwell, Pensford, Stanton Drew, Ubley, West Harptree and Winford.

Norton Hill School serves part of Midsomer Norton (to the South East of the old Railway Line), Clutton, Farmborough, Farrington Gurney, Hallatrow and High Littleton.

Somervale School serves part of Midsomer Norton (to the North West of the old Railway Line), Paulton and Welton.

Wellsway School serves part of Keynsham (to the East of the River Chew), Chelwood Village, Compton Dando, Corston, Marksbury, Newton St Loe, Priston and Saltford.

Writhlington School serves Camerton, Clandown, Coleford, Dunkerton, Faulkland, Haydon, Hemington, Holcombe, Kilmersdon, Peasedown St. John, Radstock, Shoscombe, Timsbury, Tunley, Wellow and Writhlington.

1 Explanation of terms used in this booklet

Admission Criteria (Oversubscription Criteria)

These describe the way in which the Admission Authority gives priority to children when it allocates places at individual schools. This booklet provides details of the admissions criteria for year 7 and sixth form admissions.

Academy Schools & Studio Schools

In these schools the Academy Trust is responsible for admissions and set their own criteria which are outlined in this booklet.

Area of First or Prime Responsibility

These are the geographical areas drawn around each school. If you live within this area you are more likely to be offered a place at the school.

Denominational Schools

The denominational schools in Bath and North East Somerset are run either by the Church of England or the Catholic Church or Academy Trust. The Governors in Voluntary Aided (VA) schools or the Academy Trust are responsible for admissions and set their own criteria. The oversubscription criteria for all these schools are outlined in this booklet.

Direct Line Distance*

** Unless otherwise stated in individual schools' admissions policy these definitions apply.*

Distance will be measured in a straight line from the address point of the child's home address to the address point of the school as defined by the Local Land and Property Gazetteer (LLPG). Measurements will be determined using the Local Authority's GIS computerised mapping system with those living closer to the school receiving the higher priority.

The Greater Bath Consortium (GBC)

The GBC is an area of prime responsibility which serves the City of Bath and surrounding parishes. See the map in this booklet for further details.

Home Address

This is the child's permanent address where he or she generally resides with their parents. Temporary addresses may not be used to obtain school places.

Looked after Children (*see also Previously looked After Children*)

As defined in Section 22 of the 1989 Children Act. These children however are often referred to as children in care. In relation to school admissions legislation a 'Looked after child' is a child in public care at the time of the application to a school. * Documentation will need to be provided to Bath & North East Somerset Council as proof of care status.

Multiple Births

If a school is oversubscribed and a child from a multiple birth has qualified for the last available place within the admission number but the other child(ren) from that multiple birth have not qualified for a place. Please refer to Admission Arrangements for the school as to how these will be considered.

National Curriculum Year Groups

Year	Group	Age of Pupil
Y7	Keystage 3	11-12 years
Y8		12-13 years
Y9		13-14 years
Y10	Keystage 4	14-15 years
Y11		15-16 years
Y12	Post 16	16-17 years
Y13		17-18 years

Oversubscribed Schools

These are schools where the number of applications is more than the admission number, which is the minimum number the school must admit.

Parent

This includes all those people who have parental responsibility for a child as set out in the Children Act 1989.

Planned Admission Number (PAN)

The PAN is the number of children which a school is required to admit in each year group. All schools must offer places up to the PAN and, once that is reached, any further admissions would normally be by appeal to an Independent Appeals Panel. The PAN for each school can be found in Appendix 2.

Previously Looked After Children (PLAC) & Internationally Adopted Previously Looked After Children (IAPLAC)*

Previously Looked after children (PLAC) are children who were looked after but ceased to be so because they were adopted or became subject to a Child Arrangement order or special guardianship order **as well as** Internationally Adopted Previously Looked after children (IAPLAC), those children who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted. * Documentation will need to be provided to Bath & North East Somerset Council as proof of care status.

Internationally Adopted Previously Looked After Children (IAPLAC)*

A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation, or any other provider of care whose sole purpose is to benefit society and ceased to be in state care as a result of being

adopted. * Documentation will need to be provided to Bath & North East Somerset Council as proof of care status.

Siblings*

** Unless otherwise stated in individual schools' admissions criteria these definitions apply.*

A sibling refers to children who are:

- brother or sister or half brother or sister;
- adopted brother or sister;
- step brother or sister;
- the child of the parent/carer's partner, and in every case the child should be living in the same family unit at the same address.

Special Schools and Special Units

There are three special schools and one secondary school with a Resource Base within the area, for children who have particular special education needs. Admission to these schools is restricted to children with an Education, Health and Care plan (EHCP) and a separate leaflet is available on this. If you have an enquiry about admission to special schools, please telephone 01225 394306.

Undersubscribed Schools

These are schools where the number of applications is less than the admission number.

Voluntary Aided Schools (VA)

In a VA school the church, through the school governors, has a greater say in the running of the school, and is responsible for admissions to the school. Please refer to the booklet for details of VA Schools Oversubscription Criteria.

2 How do I know which school will suit my child?

When you decide upon your preferred schools you can make up to **5** preferences. We would **strongly** advise you to use all 5 preferences when completing your application. You are not **disadvantaged** by doing this as all your preferences are given equal consideration and we only consider other preferences if the highest preference school that you have named cannot be offered.

When deciding on your preferences, Appendix 1 of the Secondary School Booklet will show you the schools which have either been over or undersubscribed over the past 3 years. It is worth reading this to help you decide on the schools you select.

If you name 5 schools which are usually oversubscribed and do not qualify for a place you may be offered a school which is further from your home address. This is because legally the Council must give priority, when considering applications, to those parents who have named the school as a preference. Rather than select 5 popular schools you may therefore wish to consider naming an **undersubscribed** school or one where places have previously been allocated to pupils living further away than your home address as one of your preferences which will improve your chance of being allocated a place at a local school. (see table under Appendix 1)

You can exercise a preference when deciding on a school for your child, **a preference that is limited only by the number of places available at any school**. To help you make your decision, it is important you obtain as much information as possible about the schools you are considering.

You should, where able to, visit local schools and obtain as much information as possible. All schools publish a school prospectus in which you will find an outline of: -

- the school's aims and objectives
- details of the curriculum offered
- National Curriculum Assessment results at the age 14
- attendance figures
- out of school activities
- details of policies such as behaviour and discipline.

Governing Bodies also publish a report to Parents each year and this summarises the school's achievements.

The Office for Standards in Education (OFSTED), now inspects all schools. Reports are available as is a copy of the school's action plan for development that is written after the inspection report is published. These reports can be seen in your local library or in the schools themselves.

Research has consistently shown that a number of factors are good indicators in helping you decide whether or not a school will suit your child. You may wish to consider these when you visit schools before making your decision. Some of the more important factors are: -

- the school places importance on working with parents
- there is a welcoming atmosphere
- staff have high expectations of the children and there is an emphasis on each child's achievements
- the school supports children particularly where there are additional needs

- a wide range of out of school activities is available for all ages and abilities
- other parents are involved in the work of the school and speak highly of it
- the school is well led by the headteacher and governors
- there is a plan showing how the school hopes to develop over the next few years
- the children's work is displayed with care
- governors are fully involved in the life of the school and parents have easy access to them
- the school makes good use of the LA and its support services.

This list is by no means complete and you will be able to judge a great deal from the atmosphere of the school during your visit, if this has been possible. All children and all schools are different, and it is helpful if you can visit a number of schools before deciding which school is most likely to meet your child's needs. **N.B. Some schools will only be holding virtual open evenings/days and tours this year.**

You will have heard much about 'parental choice' and it is important for you to consider: -

- **the admissions criteria -**

are you likely to get a place in your preferred school?

- **transport -**

if your preferred school is not the closest to your home, will you be able to organise transport?

This booklet will help you make these important decisions.

Summary

You have the right to express a preference for the school(s) you prefer but do not have a guaranteed choice as we may not be able to meet your preference. We will do all we can to offer your child a place in the school you prefer but remember that some schools become full, and ***we can only offer places up to the school's Admission Number (PAN).***

See also page 8 for an explanation about equal preferences.

3 How Secondary Schools are organised in Bath & North East Somerset

There currently is 1 Voluntary Aided Denominational school and 11 Academy schools within Bath and North East Somerset with a first admission at Year 7. There are three special schools catering for children of secondary age range. In addition, there are 2 Academies in Bath & North East Somerset with a first admission at Year 10.

Secondary Education

Children normally transfer from primary to secondary school at the beginning of the school year following their 11th birthday. This means that children born on or between 1 September 2009 and 31 August 2010 are due to transfer to secondary school in September 2021. Occasionally requests are made for children to transfer outside these age ranges which would be considered by the appropriate admission authority. All schools are comprehensive and provide for the 11-18 age range apart from Broadlands Academy which caters for the 11-16 age range. Some schools have established sixth form links with other schools and colleges to widen the range of sixth form courses available. Details are available from individual schools.

Co-Educational Non-Denomination Schools

Eight schools in the LA are co-educational and non-denominational. These are Oldfield and Ralph Allen in Bath, Broadlands Academy and Wellsway in Keynsham, Chew Valley in Chew Magna, Norton Hill and Somervale in Midsomer Norton and Writhlington in Radstock. Their oversubscription criteria are listed in this booklet.

Academy Schools

There are 11 Academy schools within the area which admit pupils at Year 7. These are Beechen Cliff School, Broadlands Academy, Chew Valley School, Hayesfield Girls' School, Norton Hill School, Oldfield School, Ralph Allen School, Somervale School, Wellsway School and Writhlington School. In these schools the Academy Trust is responsible for admissions and set their own criteria. The criteria for all Academy Schools within Bath and North East Somerset are listed in this booklet.

IKB Studio School and Mendip Studio School in Bath & North East Somerset have a first admission at Year 10. Details of their admissions criteria are available on their web sites.

Denominational Schools

Within the LA there is one Church of England and one Catholic secondary school, both located within the GBC. These are St. Mark's (Church of England) and St. Gregory's (Catholic). The denominational schools in Bath and North East Somerset are run either by the Church of England or the Catholic Church in partnership with the LA. The Governors in Voluntary Aided (VA) schools are responsible for admissions and set their own criteria. The oversubscription criteria for all schools are listed in this booklet.

Single Sex Schools

There are two single sex schools within the area. These are Beechen Cliff for boys and Hayesfield for girls. Both are located within the GBC. Their oversubscription criteria are listed in this booklet.

Special Schools and Special Units

The Special Schools for secondary age children are Aspire Academy in Bath, Fosse Way in Midsomer Norton and Three Ways and Aspire Academy in Bath. In addition, Broadlands Academy has a special unit. Admission to these establishments is restricted to children with a statement of special educational needs or Education, Health and Care plan and a separate leaflet is available on this. If you have an enquiry about admission to special schools or special units, please telephone 01225 394306.

Accessible Schools

Bath & North East Somerset Council is aware that some of our older schools, are not easily accessible for physically disabled children or adults. Where possible, we work to make schools more accessible and aim to have at least one primary school fully accessible in each area. A number of more modern and new schools provide fully accessible facilities.

For secondary phase pupils, there are fully accessible schools in each of the three urban areas, Bath, Keynsham and Midsomer Norton.

Parents are still free to express a preference for a non-designated school for their disabled child, but only 'reasonable' adjustments can be made to accommodate them at these schools. This will not include major building alterations or additions but could include limited adaptations such as fitting an essential handrail or small ramp. Parents are encouraged to visit schools, where able to, and discuss their child's needs with the Head Teacher to ensure the accommodation is suitable.

The following secondary schools are all fully accessible

Keynsham & Saltford	Broadlands
South East Bath	Ralph Allen
Midsomer Norton	Norton Hill

4 How do I apply for a school place?

Don't be late! If your application is late it will affect your chances of getting a place at one of your preferred schools. The closing date for all applications is 31 October 2020.

In order that your child can be considered for entry to school for the school year 2021/22 you must complete and submit the common application form by **31 October 2020**. Completed common application forms for residents of Bath & North East Somerset must be returned directly to Bath & North East Somerset Admissions and Transport Team.

Parents/carers who do not live in Bath & North East Somerset but who wish to apply for a place at a secondary school in Bath & North East Somerset must complete the common application form available from the local authority in which they live. If an application form is received from a parent/carer living in England but outside the administrative area of Bath & North East Somerset, the form will be returned to the relevant home authority.

Should any parent/carer include on their application form a preference for an independent school, the independent school preference will be disregarded and the remaining preferences for schools will be given a higher ranking than that shown on the original application form. All parents/carers must complete the common application form.

Who should apply for a school place?

Applications should be made by the person who has parental responsibility as the main carer as defined in the Children Act 1989. Parents are asked to confirm this on the application form. Where parents share parental responsibility for a child but live separately if two applications are received from the child's parents the LA will ask them to determine which application it should consider, and which application should be withdrawn. This is because the LA will offer only one school place to a child at any one time. If the parents cannot agree they should resolve the issue through the court system. For example, to obtain a 'Specific Issues Order' which specifies which parent has responsibility to make decisions on school preferences.

However, in the absence of any Order the application received from the parent who receives Child Benefit for the child will be the only one considered. Parents may be asked to provide supporting documentation confirming receipt of Child Benefit. Where the parent/carers are not entitled to Child Benefit the LA will ask for proof of the child's home address as held by the doctor's surgery at the point of application. Bath & North East Somerset Council cannot become involved in disputes between parents/carers.

Who has parental responsibility?

In England and Wales, if the parents of a child **are married** to each other at the time of the birth, or if they have jointly adopted a child, then they both have parental responsibility. Parents do not lose parental responsibility if they divorce, and this applies to both the resident and the non-resident parent.

This is not automatically the case for **unmarried parents**. According to current law, a mother always has parental responsibility for her child. A father, however, has this responsibility only if he is married to the mother when the child is born or has acquired legal responsibility for his child through one of these four following routes:

- (From 1 December 2003) by jointly registering the birth of the child with the mother.
- By a parental responsibility agreement with the mother.

- By a parental responsibility order, made by a court.
- By marrying the child's mother after the child is born

Living with the mother, even for a long time, does not give a father parental responsibility and if the parents are not married, parental responsibility does not always pass to the natural father if the mother dies.

All parents (including adoptive parents) have a legal duty to financially support their child, whether they have parental responsibility or not.

Parental responsibility would also apply to a child's guardian (appointed under a will), any person granted a Residence Order for the child, or the Local Authority if a Care Order is in force in respect of the child.

Completing the common application form

Parents/carers of children resident in Bath & North East Somerset have two options for completing the common application form:

- [Apply Online](#): You may apply using your mobile/tablet/handheld device
- Print and complete the application form available to download at [Admissions to Schools](#) and return it to the address indicated on the form or by email to admissions_transport@bathnes.gov.uk. Please be aware that a paper application form received by post will only be acknowledged if you have provided a stamped addressed envelope or card.

Applying online

You will need to have an email account set up before registering to make your application online. You will be asked to complete security details, such as email and password and then you'll receive a code to access the portal to make your application. Once you have completed and submitted an online application form you will receive an email to confirm your application has been received.

Online applications: You may change the details on your application up until the closing date, though it is very important to remember to re-submit each time you view or make changes to your application. If you do not re-submit your application after making changes it will not be submitted on time and your application will be treated as late.

Completing and returning a paper application form

Completed common application forms for residents of Bath & North East Somerset must be returned directly to Bath & North East Somerset Admissions and Transport Team. Applications for a place will be considered only if parents/carers have submitted the completed common application form by the closing date of **31 October 2020**. Any change in preference received before the closing time and date will supersede all previous applications which will be withdrawn.

Change of school preferences or school preference order

After the closing date of **31 October 2020** parents/carers may make a **change of school preference or change of school preference order on the understanding that their previous application will be withdrawn and their child will not be considered for a school place in the first round of allocations even if the original application was**

received before the closing date. The change of preference or school preference order will be considered as a completely new late application.

Please note: Each LA owns and hold records for the children resident in their LA at the start of the applications process and as such it is only the original LA that can amend any details relating to the child's application. Another LA cannot make any changes to a different LA's records but should be advised of any changes by the LA which owns the original record. Any changes received and accepted by this LA, as the home LA, which involve schools within another LA area will be passed to that LA as soon as possible.

Supplementary Information Forms (SIF's)

All parents/carers must complete the common application form. However, individual admission authorities for academies and voluntary aided schools may wish to use SIF's to collect additional information in order to apply their oversubscription criteria. Parents/carers will need to contact the individual schools for information.

Admission for children with an Education, Health and Care Plan (EHC)

If your child has an EHC and you have moved or are moving into the area you should contact your current named officer who will provide advice to you about the necessary procedures to be followed. Children due to transfer to secondary education in September 2021 living in Bath and North East Somerset will be issued with details of how to make an application which should be submitted by the closing date of **31 October 2020**. The applications for children with an EHC are dealt with through the SEN Code of practice and their placement is determined through the statutory assessment process or an annual review of their plan. All schools are consulted before being named on a pupil's plan and schools have the opportunity to draw attention to any difficulties arising from oversubscribed year groups. If a school is named on a statement this will take priority over the Oversubscription Criteria although wherever possible the place will be offered within the Admission Number for the school. Please note that for children with an EHC the oversubscription criteria listed under Section 10 of this booklet do not apply.

5 What else do I need to consider in completing my application?

Find out which schools serve your area

Some schools serve Areas of Prime Responsibility (APR). Where an APR exists, the area indicates to parents/carers the schools which normally serve the home address. Bath & North East Somerset Council gives priority to those children who live within the APR of the school, though there is no guarantee that places will be offered to all those living within the APR. A map at the front of the booklet shows the location of each school and a section along with details of the APR where appropriate. If you are unsure which schools serve your area, please contact the Admissions & Transport Team.

We strongly recommend that you indicate a preference for a school that normally serves your home address (your APR school). This will increase your chances of getting a place at a local school, in the event that your highest ranking preference cannot be met (if, for example, your highest ranking school is over-subscribed from applicants living within that school's APR or living closer than you and/or any higher priority applications).

Local sibling links – younger brothers and sisters

Many parents/carers express a preference for younger brothers and sisters to attend the same school. Please check the oversubscription criteria for allocating places as some schools give priority to local siblings. You should be aware that a local sibling is not the same as a sibling. Children are defined as local siblings if:

- they live within the APR;

And

- they are full or half brother or sister; or
- they are adoptive brother or sister; or
- they are children of the same household;

And

- the older sibling is already in attendance at the preferred school and will be in attendance in **September 2021** (please refer to the school's oversubscription criteria)

Please note that the offer of a place at any school does not guarantee an offer of a place for a sibling at a later date. Different admission authorities will vary in the priority that they give to siblings. You will need to consult the relevant admission authority for further advice, i.e. where an admission authority serves an Area of Prime Responsibility, only children who live within the Area of Prime Responsibility will be afforded priority of admission under the local sibling criterion.

You should note that your child will not be considered under the local sibling criterion if you do not meet the criteria above. To be defined as a 'local sibling' a child must live in the APR for the school. It is therefore important that you consider stating a preference for your local/nearest school, particularly if you have younger children who you would like to attend the same school in later years. Please refer to the full admission arrangements for the school.

Consider how you will get your child to school

It is your responsibility as a parent/carer to get your child to school. You must think very carefully about the distance from home to school and about how your child will travel to school.

Most children are not eligible for free transport to school. You may wish to contact your local school and ask for details of their school travel plan. The plan identifies various measures the school has put into place to help reduce the number of car journeys made to and from school. Alternative travel options and schemes include; walking buses; road safety workshops; and, cycle training. The range of transport options available in Bath & North East Somerset can be found on the council's website at [School Transport](#)

Some schools receive more applications than there are places. While we will do our best, there is no guarantee that we will be able to offer you a place at your preferred school even if you meet the admission criteria.

Use your child's permanent home address

You must apply using your child's permanent home address as at 31 October 2020. The child's normal permanent home address where he or she lives with his or her parents or legal guardians will be used to decide where the child lives. Bath & North East Somerset Council cannot accept an address of a business, relative, friend, childminder or a temporary address.

In fairness to all parents, the Council reserves the right to require documentary evidence of the genuineness of a family address and if this is not produced the Council reserves the right to make its own enquiries with, for example, the Council Tax Office.

Temporary addresses cannot be used to obtain school places. If parents or guardians plan to move documentary evidence will be required and in order for any address changes to be taken into account in the first round of allocations made on **1 March 2021** the appropriate documentary evidence must be submitted by midnight on the closing date and time of **31 October 2020**. However, if details of a change of address that will occur after the closing date (and before the start of term 1) is received with the appropriate documentary evidence by **13 November 2020** i.e. before the LA has sent details of applications to other councils, it will be considered in the first round of applications. **In all cases, it is the parent or carer's responsibility to confirm with the LA that they have received the documentary evidence by the deadline.** Examples of evidence that may be acceptable to determine a child's address are: -

- A solicitor's letter confirming exchange of contracts and completion date for a property which is being purchased or a property which is being sold.
- A copy of a signed rental agreement or a solicitor's letter if moving to a council or rented property and proof of your sale or Notice to Quit on your current/previous property.
- A copy of a council tax bill or utility bill such as water, gas or electricity in your name for your newly owned or rented property **together with** proof of your sale or Notice to Quit on your current/previous property.
- If you are moving in with a relative a letter from them will be required confirming the date you will be moving in together with a copy utility bill showing their name and address. A solicitor's letter will also be required confirming that completion of contracts has taken place on your sale or Notice to Quit on your current/previous property.

- In the case of children of UK Service Personnel with a confirmed posting to the area or Crown Servants returning from overseas, an official letter declaring the relocation date and a Unit postal address or quartering area address should be provided.

A random sample of 10% of all applications received each year will be checked to confirm addresses using for example the electoral roll, council tax offices and if appropriate the school currently attended before allocations are made. A copy of a recent utility bill may also be requested. In certain additional cases proof of residency will also be determined by using the above methods. Once proof is obtained to the LA's satisfaction that the parent is resident at the address given it will be accepted that the child is also resident at the same address.

Things to consider in advance of a house move

Parents/carers considering a house move in advance of submitting an admission application will very often want to research the local schools that serve their new address. Parents/carers of more than one child may want to reassure themselves that their younger child will have a good chance of obtaining an offer of a school place at the same school as their elder sibling. In these circumstances, parents/carers are advised to consider the following:

- the schools closest to your new home address/which schools serve your new local area
- the admission arrangements for your preferred school(s) for the relevant year of admission
- the consequences of moving home on the outcome of your admission application for younger children, the distance from your new home to your preferred school(s) and how you will get your child to school

Please be aware that sometimes a house move can mean that families with more than one child no longer qualify for admission to their preferred school(s) under the local sibling criterion. This can cause disappointment for families who want their children to attend the same school. While there can be no guarantee about the outcome of admission applications, parents/carers are advised to read and understand the information contained in the admission booklet.

Tell us if your circumstances change

If your circumstances change during the application process or if you know in advance that your circumstances are going to change, for example you are planning to move home before your child starts school, it is important that you tell us.

Be honest – we may ask for documentary evidence

Ensure the information you give us is accurate. In fairness to all parents/carers, Bath & North East Somerset Council reserves the right to require documentary evidence in support of the application and to make its own enquiries. Examples of evidence which may be requested include a birth certificate, a copy of a court order, a solicitor's letter confirming exchange of contracts (and completion date on a new property), a rental agreement, a letter from an employer, a utility bill or evidence of child's residency. Please be aware that Bath & North East Somerset Council may withdraw an offer of a place where an application is fraudulent or intentionally misleading.

If false information is provided on an application form before an offer of a school place is made, then the application will be void. Parents could submit a further application if they so wished. If this application is received after the closing date it will then be regarded as a late application. If it is found that a sibling currently at the school was offered a place based on

false information, then for any further application received the LA will discount the sibling connection.

What if I change my mind before the closing date?

Any change in preference received before the closing date will supersede all previous applications. Previous applications will be withdrawn.

Please remember if you submit your application online and make changes to or view your application you will need to ensure you re-submit your application.

Applications or changes of preference received after the closing date are **'late applications'** and will not normally be considered for the initial allocation of places.

What happens if my application is late?

If your application is late, it will affect your chance of getting a place at one of the schools you have stated as a preference for your child. On time applicants will be allocated a school place before late applicants. Only in exceptional circumstances will Bath & North East Somerset Council consider that there are extenuating reasons as to why the application could not have been submitted by the closing date and for allowing the application to be treated as if it had arrived on time. This will only apply to late applications received before **13 November 2020**.

Examples of extenuating circumstances might include a close family bereavement or a serious illness for which documentary evidence would be required.

6 Travel assistance to school – what you need to know

Sustainable modes of Travel to School.

Bath & North East Somerset Council is fully committed to promoting walking, cycling and, for longer distances, greater use of buses for the school journey.

When you are thinking about schools you would like your child to attend, please consider the following:

- Children who walk to school are fitter, have better developed social skills, are more familiar with their surroundings, have better road sense and arrive at school more relaxed and ready to learn.
- Walking, cycling or using public transport offers children greater independence and flexibility - which is especially important at a time of change in the nature of the school day, with greater numbers of pupils staying for extra study, extracurricular activities and sport.
- Walking, cycling or using the bus reduces congestion on the roads.
- Consider the cost of driving your child to school. Current figures put the average cost at £535 per year. Unless the school you choose is less than 800 metres from your home (2km for Secondary) you will probably drive your child to school.

Where walking, cycling or public transport are not feasible, car sharing may be an option. This can save time and money and helps cut traffic congestion and air pollution as well as being sociable for children. Car sharing can also reduce the costs for children whose families do not own a car.

Parents who are interested in learning more about their children's School Travel Plan, or in helping to implement the actions within it, should contact their child's school.

Will I be offered free travel assistance to school?

The policies that apply to school admissions and transport to school operate separately. If a pupil is offered a place in a preferred school this does not in any way guarantee that assistance with travel will be available. If transport to school is an issue for you when applying for a school, you are strongly advised to take this into consideration before stating your preference.

There can be a number of reasons why a child may qualify for home to school transport. The home address which determines entitlement to transport is the place where the child is normally resident with his or her parent(s). Entitlement differs between primary and secondary aged pupils and Post 16 pupils. Please refer to the sections below for further information.

It is your responsibility as a parent/carer to get your child to school. You must think very carefully about the distance from home to school and about how your child will travel to school. Most children are not eligible for free travel assistance to school.

How do I check if my child is eligible for free travel assistance to school?

The LA will provide free transport between home and school if:

- the school attended is the nearest appropriate one, as designated by the LA, and

- the distance between home and that school, when measured by the nearest available walking route is **three miles** or more for children aged eight years and above. These distances are referred to as “statutory walking distances”.
- the LA will also provide transport if the school attended is the closest school to your home address and closer than the designated school and the statutory walking distance given above are met.

Children starting in Year 7 are currently automatically assessed for school transport by the local authority. This may be changing in the future as Bath & North East Somerset is considering moving towards self-assessment for school transport. If and when this takes place, further details would be available on the [School Transport](#) website.

Note: Assistance with travel, if agreed, is provided only at the beginning and end of the normal school day and from the home address.

If you do not apply for your nearest appropriate school as your highest ranking preference your child may not be given free travel assistance to any school. You must then accept full responsibility for the cost and arrangements of your child's travel to and from school for the duration of their secondary phase education.

Additional Transport for Low Income Families

Transport will be provided for children of secondary age between the age of 11 and 16 who live between two and six miles from one of their closest 3 schools and are in receipt of or entitled to Benefit Based free school meals or their maximum level of working tax credit (with no reduction due to income). The distance is measured in the same way as the statutory walking distance.

Transport on Medical Grounds

In exceptional circumstances home to school transport may be provided on medical grounds, to enable pupils to attend their designated area school even though they may live within the statutory walking distance from the school. The Health Authority or your General Practitioner will need to supply details of the child's medical needs.

Will I be offered travel assistance to a faith school?

From September 2014 the Council agreed a phased withdrawal of subsidised home to school transport services for new starters attending denominational schools from September 2014 who would not qualify under other home to school policy subsets, [e.g. as a low income family] save in the case of children with siblings currently at the school. This option would not affect students who attended the school before then, only new pupils joining after September 2014.

Further information regarding the entitlement and charges for denominational transport can be found on the council's website at [School Transport](#). Please note that there will likely be an inflationary increase each year.

Parents/carers considering admission to a faith-based secondary school are advised to consider the journey involved and how their child will travel to school.

Fare Paying Passenger Transport Scheme

If your child is not entitled to transport under the above policies he/she may be able to take up a spare seat on a hired vehicle only (this does not include public bus services), if one is available, on payment of the termly charge determined by the LA. However, it must be

emphasised that before making your application, it is of vital importance that you understand that seats either may not be available at all or once offered can be withdrawn at short notice (normally one month) if:

- a child entitled to free transport requires a seat on the vehicle
- it becomes possible to reduce the size of the vehicle provided for passengers entitled to free transport
- the vehicle is no longer required for passengers entitled to free transport and the service is withdrawn altogether

Behaviour on Transport

Children travelling on LA transport are expected to conform to the accepted code of behaviour which applies in the school. Any breach will be dealt with by the school.

Summary

Remember that you may only qualify for free transport if your child is attending the nearest appropriate school.

Application process for assistance with travel to school

The details of school transport policies are available at [School Transport](#) This includes information on how to apply, how applications are considered and how to appeal if an application is refused. Application forms for school transport can be downloaded from this site.

7 What happens to my application?

Co-ordinated admissions

All local authorities must have a co-ordinated admission scheme which allows details of applications to be shared with other admission authorities, as appropriate, to ensure that parents/carers receive an offer of a single place on the offer date.

Considering your preferences

Once we receive your completed application by **31 October 2020**, we will consider all your preferences against the relevant admissions criteria and we will try to offer you a place at one of your preferred schools.

Any school which operates criteria for selection by ability or aptitude must ensure that its arrangements for assessing ability or aptitude, to enable decisions to be made on preferences received, conform to the timing requirements of the admissions scheme.

In the case of admission to academies and voluntary aided schools in Bath & North East Somerset all applications will be considered with reference to their own oversubscription criteria including any supplementary data where necessary. Ranked lists of potential offers will then be returned to Bath & North East Somerset Council including the reason why each applicant qualified for a place, by **11 December 2020**. The list will also include those pupils, for whom a place cannot be offered, in rank order, explaining the reasons for refusal against the oversubscription criteria, and in the order in which additional offers will be made should places become available.

Schools will not be notified of the preference order of an application until final offers have been made and schools receive the outcomes on **24 February 2021**.

Applications for all schools will be considered under an 'equal preference' system. This means that all your preferences will initially be considered equally against the oversubscription criteria regardless of the priority order that you put them in. This does not mean that we disregard your preferences; it means that in the event that you are unsuccessful in gaining a place at your first preference school, your second preference will not be treated any less favourably just because you placed school two as your second preference.

Receiving your offer

Online applicants will be able to view the outcome of their application for a school place on **1 March 2021** by logging onto the online system using their password. If you applied using the paper application form and opted to receive the outcome via email, this will initially be sent via email. If you have not opted to receive the outcome via email you will be notified of the offer of a school place by letter to be posted 2nd class on **1 March 2021**. Bath & North East Somerset Council is unable to inform parents/carers of the offer by telephone.

Bath & North East Somerset Council will make the single offer of a place for Year 7 to parents/carers resident within its area. Places will be allocated against the published oversubscription criteria without reference to the applicant's order of preference. Where a child qualifies for a place at more than one school, the final offer will be the highest ranked school with a place available.

In the case of parents/carers resident in Bath & North East Somerset being refused a place at all of their preferred school(s), an alternative school place will be offered to their child at

the nearest school to the home address with a place available and they will be informed of the options available at that stage including their right of appeal.

Parents/carers must respond to the offer directly to Bath & North East Somerset Council by **15 March 2021**.

Late applications

Applications received after the closing date are 'late applications' and will not normally be considered for the initial allocation of places. However, Bath & North East Somerset will consider the circumstances of a late application before deciding whether to consider it along with the on-time applications.

For over-subscribed schools, if places become available following the initial allocation of places for a school, the same criteria will be applied to 'late applications', formal appeals and for children whose parents/carers have just opted to be on the waiting list. Where a place can be offered at a preferred school for a child on the waiting list or appeal, any place previously offered at a lower preference school will be withdrawn.

In the case of under-subscribed schools all late applications received since the closing date and up until the **13 April 2021** will be considered together in the second round of allocations. If the school is then oversubscribed all late applications will be considered under the admissions criteria. If the school is still undersubscribed all applicants will be offered places and any further late applicants dealt with on a first come, first served basis.

Details of late applications, on time applicants still seeking a place at their preferred schools and of places not accepted following the initial allocations will be exchanged with academies, voluntary aided and foundation trust schools and other local authorities as far as possible by **16 April 2021** to enable a second round of allocations for all schools to take place **from 07 May** until the end of **May 2021**.

The co-ordinated admissions process will continue to be operated, with application data being exchanged with academies, VA schools and other local authorities as appropriate, for all applications received up to **31 August 2021**.

8 I've been offered a school place, what next?

Once you receive your offer of a school place on **1 March 2021** you must respond to the offer directly to Bath & North East Somerset Council by **15 March 2021**. Note: If you applied online you can view the outcome of your application online using your password.

All offers are accompanied with details explaining the next stage of the process. Your options are as follows:

- accept the place offered
- ask Bath & North East Somerset Council to consider your child for a place at an alternative preferred school(s); and/or
- opt to put your child's name on a waiting list but not formally appeal (this applies only if you have been refused a place)
- To appeal against the Admission Authority's decision to refuse a place at your original preferred school(s). Your child's name will also be added to the waiting list for the school(s) concerned.

Where a response from you has not been received by **15 March 2021**, we will contact you to advise you of the need to respond within one week and point out that the place may be withdrawn if you do not. Where a place has been withdrawn this will be confirmed in writing.

Withdrawing offers

Once the offer of a place has been made, the Admission Authority may withdraw the offer, but only in very limited circumstances, for example:

- where the application was fraudulent or intentionally misleading; or
- where a parent/carer has not responded to the offer within the time requested; or
- where it is possible to offer a higher named preference
- where the offer was made as a result of an administrative error

Waiting lists

The waiting list comprises those children refused a place whose parents/carers have lodged a formal appeal or have just asked to go on a waiting list.

A waiting list will be maintained for any vacancies which occur until at least the end of Term 2 (December 2021) and then discarded. It is for each admission authority to determine whether they will maintain waiting lists after the autumn term. Priority order on the waiting list will be determined by the oversubscription criteria, not by the date of joining the waiting list.

Children who are the subject of a direction by a local authority to admit or who are allocated to a school in accordance with the Fair Access Protocol must take precedence over those on a waiting list.

Where a place becomes available and the LA or the admission authority, after using all advised contact details is unable to contact a successful applicant for a place within 10 school days, the available place will be offered to the next child to qualify for a place. Where an applicant decides to place their child(ren)'s name on a waiting list, it is for the applicant to keep Bath & North East Somerset Council and the school informed of updated contact and address details.

Can I appeal if my child has been refused a place at my preferred school?

If a place is not offered at the parent's/carer's preferred school, there is the right of appeal to an independent appeal panel. When offers of places are made on **1 March 2021**, if it has not been possible to offer your child one of the schools named as a preference, you will automatically be sent details of how to appeal. Pending your appeal, your child will be offered a school place at a lower named preference if possible or at the nearest school with a place available.

Further information concerning how to appeal will be explained in the decision letter and it will give the reasons for the refusal by the school's admission authority. Details of the appeal arrangements for academy and voluntary aided schools can be obtained directly from the schools concerned.

Please note that if you wish to appeal for one of these schools, your appeal should be returned to the address on the appeals form. As already mentioned, details concerning how to appeal will be explained in the decision letter, but you will have at least 20 school days from the date of notification that your application was unsuccessful to prepare and lodge your written appeal.

Appeals must be made in writing and include:

- name, address and date of birth of your child
- name of the preferred school
- reasons for preference
- grounds for the appeal.

The appeals panel will pay attention to circumstances which support your application for the school together with the Admission Authority's reasons for refusal. The appeals panel is not bound by the Admission Authority's published criteria and has the power to exceed the school's Admissions Number. The panel's decision is binding for you, the school and the schools Admission Authority.

Can I have a second appeal for the same school?

If an appeal is unsuccessful there is no automatic right to a further appeal. However, if there are significant and material changes in the circumstances of the parent/carer, child or school since the time of the original appeal, these will be considered. A significant and material change in circumstances might include:

- where a change of address has occurred since the original appeal which means the home address is significantly closer to the preferred school or is now in the Area of Prime Responsibility for the preferred school
- where a sibling link has been created at the preferred school which was not there at the time of the original appeal
- where new evidence is provided and is supported by a letter from a doctor, psychologist, social worker or health visitor which could not have been introduced at the time of the original appeal hearing

Any requests for a further appeal should be made in writing to the relevant admissions authority for the school.

9 In-Year admissions

Applications during the school year 2021/22 (In-Year admissions)

If you move into the local area during the school year 2021/22 or you are already resident in Bath & North East Somerset and wish to move your child to another school, you will need to complete the Bath & North East Somerset In-Year application form. The form can be used to apply to any school within the Bath & North East Somerset Council area and is available at [In Year Admissions](#). Alternatively, you may contact individual schools or the Admissions & Transport team for an application form.

For In-Year admissions, completed application forms should be returned direct to the admissions authority named as the 1st preference school. On receipt of an In-Year application, all schools **must** notify Bath & North East Somerset Council of both the application and its outcome.

Academies and Voluntary Aided schools are their own admissions authorities. Own admission authority schools may also require parents/carers to complete a supplementary information form (SIF) to enable the school to collect additional information in order to apply their over-subscription criteria.

Please note: Where a school is unable to offer a place and another school is named as a lower preference on the application form, the form will be forwarded to the lower preference school within five school days.

In-Year applications for Bath & North East Somerset secondary schools can be made for any year group. You may express a preference for a school or schools. Your application will be considered against the admission criteria. For In-Year Admission Arrangements for each school please refer to the individual admission policies, also available on the school's web page.

Offers of a school place (In-Year admissions)

Where a parent/carer has been offered a place for their child, they will be expected to take up the offered place within 28 school days otherwise the offer of a place may be withdrawn.

Fair access for children admitted outside the normal admissions round

Bath & North East Somerset Council has a Fair Access Protocol which provides for children admitted to school outside the normal admissions round. The protocol exists to ensure that access to education is secured quickly for children who do not have a school place and that all schools take their fair share of vulnerable children or those who are hard to place. The protocol will be used to place children during the school year and not at the beginning of the school year as part of the main admission round. Most children will be admitted to school under normal admission procedures.

The protocol applies to the following groups of children:

- children from the criminal justice system or Pupil Referral Units who need to be reintegrated into mainstream education
- children who have been out of education for two months or more
- children of Gypsies, Roma, Travellers, refugees and asylum seekers
- children who are homeless
- children with unsupportive family backgrounds for whom a place has not been sought
- children who are carers; and

- children with special educational needs, disabilities or medical conditions (but without an education, health and care plan)

Where an academy trust or governing body does not wish to admit a child with challenging behaviour outside the normal admissions round, even though places are available, it must refer the case to the local authority for action under the Fair Access Protocol. This will normally be appropriate only where a school has a particularly high proportion of children with challenging behaviour or previously excluded children.

Admission authorities must not refuse to admit a child thought to be potentially disruptive, or likely to exhibit challenging behaviour, on the grounds that the child is first to be assessed for special educational needs.

The Fair Access Protocol does not apply to children in public care, children previously in public care or a child with an Education, Health and Care Plan naming the school in question, as these children must be admitted.

Should a vulnerable child require a place at a school, they may be considered for admission even if the school has no places. Children admitted under the terms of the protocol will also take priority over any children on the waiting list. Access to a school place via the protocol is normally by referral. Relevant professionals dealing with your child will guide you through the process.

Full details of the Fair Access Protocol are available on the council's website under 'Apply to move into an existing school year group' at

[Admissions to Schools](#)

Please be aware that there is no guarantee that a place will be offered at a school of your preference and you still have the right of appeal regardless of your child's circumstances (except in very limited circumstances, for example if your child has been twice excluded from school).

Admission of refugee children

- The normal admission process is applied to admission applications received from all parents/carers, including parents/carers of refugee children.
- The council will need to be satisfied that applicants have a right to education in the UK.
- The council will seek appropriate verification in advance of processing applications for admission to school
- Where parents/carers are unhappy with the allocated school, there is a right to an independent appeal

Early/late transfer of children

It is Bath & North East Somerset Council policy that children should move from one year group to another with their chronological age group, including children with special educational needs and those with English as an additional language.

Exceptionally, a child may be educated with a peer group one year younger or one year older than their chronological age group. This needs careful thought. Once placed in a younger age group it is difficult, if not impossible, for a child to return to their chronological age group successfully. Equally, once accelerated it is very difficult for a child to return to their age group without feeling demoralised. If it is agreed that it is in the child's interest to be educated with a younger or older peer group, you will be required to sign a form to confirm that you understand and accept the implications of late/early transfer. If you are seeking

early/late admission to a Bath & North East Somerset school you should please read the [delayed and accelerated admissions policy](#) which is available on our web page before submitting the request for consideration to the appropriate admission authority.

A child without an Education, Health and Care Plan may be educated with a peer group one year younger if there is an identified educational need and particular conditions are met. Further details are available from the school concerned and the Special Educational Needs Section.

Additional Information

Parents of **children of existing primary and secondary school age** moving into the LA or wishing to change their child's school for any other reason can apply for places within this LA at any time. Please see the information given under In-Year admissions which explains how to apply and how your application will be processed.

- The Education and Skills Act 2008 strengthened the statutory admissions framework to ensure that all schools adopt fair and lawful admissions practices.

Below is a list of points which schools must not do:

- The interviewing of parents and/or children as a method for deciding whether a child is to be offered a place at a school is prohibited. Interviews must not form part of the admissions process and admission authorities **must not** use either face-to-face interviews or interviews by telephone or other means.
- Staff and governors can meet parents at open evenings and on other occasions, but information gained in this way **must not** play a part in the admission decision-making process. Admission authorities **must** ensure that information about the school and how to apply including application forms are readily available to all potential applicants. Schools **must not** require parents to attend the school in person in order to collect an application form and **must not** require parents to return the completed application form to the school. Attendance at an open evening or other meeting at the school **must not** be a condition for the allocation of a place.
- Admission authorities **must not** use supplementary application or information forms that ask:
 - a) for any personal details about parents and families, such as maiden names, criminal convictions, marital, occupational or financial status (including marriage certificates);
 - b) for any financial contribution, voluntary or otherwise;
 - c) for details about parents' achievements, educational background or whether either the parent or the child's first language is English;
 - d) for details about parents' or children's disabilities, special educational needs or medical conditions, unless this is in support of positive action;
 - e) about parents' or children's interests, hobbies or membership of societies (this does not apply to membership or participation in activities as part of religious observance or practice at schools designated as having a religious character);
 - f) parents to agree to support the ethos of the school in a practical way; and
 - g) both parents to sign the form.
- Photographs of children may be used only by schools that use tests and then only as a security measure to verify that the child presenting for the test is the child named on the application. Otherwise, photographs of children and families **must not** be required with applications for school places.
- Schools **must not** ask for any form of payment or for voluntary contributions, donations or deposits (even if refundable) as part of the admissions process.
- School visits are an important part of school life and can contribute to the ethos of the school. However, some parents may not want their children to go away from home or

to take part in school visits. Schools **must not** imply that such visits are compulsory and as a result discourage some parents from applying for a place at the school.

10 Admissions criteria for secondary schools

When schools are oversubscribed the admission authority for the school must apply criteria for determining which children receive priority for admission. For Academy schools, these criteria are determined by the Academy Trust and in the case of Voluntary Aided schools; these criteria are determined by the Governors.

From 01 September 2021, the admission criteria for Looked After Children and Previously Looked After Children also includes those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted. Please refer to the page 15 for further information.

Please note: all admission authorities are required to publish details of their admission arrangements 18 months in advance of the school year before the arrangements are to apply. For admission in **September 2021** this means that parents/carers were able to read and access the **full arrangements** from **15 March 2020** onwards which are available on [Admission Arrangements 2021-2022](#)

The oversubscription criteria will be applied by the appropriate admission authority to all applications received by the published closing date of **31 October 2020** apart from those received for children with an Education, Health and Care Plan. The oversubscription criteria will be listed under each secondary school on the following pages **but please refer to the full admission arrangements for further information.**

Applications for children with an EHC are dealt with through the SEN Code of practice and their placement is determined through the statutory assessment process or an annual review of their plan. If a school is named in a plan this will take priority over the Oversubscription Criteria although wherever possible the place will be offered within the Admission Number for the school.

The criteria will also be applied to late applications received after the closing date, if any places become available. These applications will be considered **together** with any applicants who have lodged a formal appeal or asked to remain on the waiting list. Late applications are not considered until all applications received on time have been dealt with.

Beechen Cliff

Status: Academy

Age Range: 11-18

Published Admission Number: 162

In year transfer applications should be submitted to the school

Year 7 - Day Places

Oversubscription criteria

Priority A - Looked after Children - A "looked after" child who was previously looked after but immediately after being looked after became the subject to an adoption, child

arrangements or special guardianship order. A looked after child is a child who, at the time of application is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social service functions (section 22(1) of the Children Act 1989 applies).

Priority B - Where the applicant has a brother or sister, half-brother or half-sister, or step brother or step sister living at the same address for the majority of his/her time (more than 2.5 school days per week) and currently attending Beechen Cliff School and who will be in attendance at the time of application to the school (31 October 2020).

Priority C - Children of staff at Beechen Cliff school, in either or both of the following circumstances,

a) where the member of staff has been employed by the school for two or more years at the time at which the application is made, and/or

b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

Priority D - Beechen Cliff will admit up to 12 applicants into Year 7 who have aptitude in sports.

Priority E - Within the Bath City boundary after the allocation of places under Priorities A to D, 80% of the remaining places will be allocated. For admission in September 2021, 38% of the remaining places will be allocated to applicants living North of the River Avon and 42% of the remaining places to applicants living South of the River Avon. If there is an under subscription in either the North or South of the River, then any places unfilled by those living on one side of the river will be transferred to the other. If there are any places remaining due to under-subscription after allocation within Priority E, surplus places would be allocated to Priority F.

Priority F - 20% of remaining places will be allocated to boys living beyond the Bath City boundary'.

To be considered under Priority D. Applications for entry based on sporting aptitude must be made via a separate supplementary Information Form which can be found on the school website. This must be returned to the school on the date indicated on this form. Evidence of this aptitude will be provided via an annual assessment event to which all those who have applied for a place under this priority will be invited.

Beechen Cliff Boarding

Year 7 - Boarding Pupils

There is a different procedure for the admission to school for children with Educational Health Care Plans: The Home LA is responsible for issuing the Plan and consulting parents and the Governing Body of Beechen Cliff School, before the school is named in the Plan. If the school is named, the child will be admitted subject to suitability to boarding.

Oversubscription Criteria

These criteria apply for Year 7 boarding places. Up to 7 places may be taken by boarders in Year 7, subject to availability.

Priority A - Looked after Children - A “looked after” child who was previously looked after but immediately after being looked after became the subject to an adoption, child arrangements or special guardianship order. A looked after child is a child who, at the time of application is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social service functions (section 22(1) of the Children Act 1989 applies).

Pursuant of their responsibilities under the Children Act 1989, the Governors will not admit pupils who cannot satisfy them that they are suitable for boarding whether or not they are looked after by a local authority or were previously looked after by a local authority.

Priority B - Where the pupil satisfies the School that they have a significant degree of boarding need as defined in the School policy. Within this category, priority is given to the children of members of HM Forces who are entitled to a Ministry of Defence subsidy for boarding places. Please refer to Appendix 2 in the full policy available on the school’s website for further details.

Priority C - Where the applicant has a brother or sister, half-brother or half-sister, or step brother or step sister living at the same address for the majority of his/her time (more than 2.5 school days per week) and currently attending Beechen Cliff School and who will be in attendance at the time of application to the school (31st October 2020).

Priority D - Children of staff at Beechen Cliff school, in either or both of the following circumstances,

a) where the member of staff has been employed by the school for two or more years at the time at which the application is made, and/or

b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

Priority E - Within the Bath City boundary after the allocation of places under Priorities A to D, 80% of the remaining places will be allocated. For admission in September 2021, 38% of the remaining place will be allocated to applicants living North of the River Avon and 42% of the remaining places to applicants living South of the River Avon. If there is an under subscription in either the North or South of the River, then any places unfilled by those living on one side of the river will be transferred to the other. If there are any places remaining due to under-subscription after allocation within Priority E, surplus places would be allocated to Priority F.

Priority F - After the allocation of places under Priorities A to D, 20% of remaining places will be allocated to boys living beyond the Bath City boundary’.

Tests will be held during the week beginning Monday 5th October 2020 and parents will be informed of the result of the test before the closing date for applications, which is 31st October. Details of the test are set out in the full Policy.

Children who have not secured one of the top 10 places available in each of the aptitude tests and/or who do not fall within priorities 1, 2 or 3 above will be considered according to priority 5 below

Priority 5 - Places will then be allocated to the inner and outer catchment areas as follows:

(a) 80% of remaining places will be allocated to children living within the Bath City Boundary.

(b) 20% of remaining places will be allocated to children living beyond the Bath City Boundary.

The catchment areas are shown in the Notes section of the full Policy. Girls living on the boundary of the inner catchment area will be considered to live in the inner catchment area.

Priority 2 - Looked after children and previously looked after children.

Priority 3 – Children who are a Catechumen.

Priority 4 - Children with a parent who has been a member of St Gregory's Catholic College staff for two or more years at the time of application, or who was recruited to fill a vacant post for which there is a demonstrable skills shortage. This does not include staff who work on the school site for other employers.

Priority 5 - Children attending any of our eight Catholic partner primary schools, i.e. St. John's, Bath; St. Mary's, Bath; St Benedict's, Midsomer Norton. SS Joseph and Teresa, Wells; St Paul's, Yate; St. Patrick's, Corsham. St Mary's, Chippenham; Our Lady of Lourdes, Kingswood.

Priority 6 – Children living within the designated are of the school with a brother or sister already at the school at the date of application and who will be in attendance at the time of admission. To be considered a brother or sister a child must be living at the same address for the majority of the time (at least 50% of the time) as a full, half, step or adoptive brother or sister. Step brothers/sisters are defined as children who are not necessarily related biologically (including foster children) but are living in the same household for the majority of the time as the address considered to be the address of the child for whom the application is made.

Priority 7 - Christian children living within the designated area of the school who are members of a recognised Christian church. A recognised Christian church will normally but not exclusively be a member of Churches Together in Britain (website www.cte.org.uk), Cytun, the Evangelical Alliance or Vineyard Churches in the UK and Ireland. In order to give Category 7 priority in the first round of allocations, evidence is required of a certificate of

baptism/christening certificate from the church or a letter on headed paper confirming membership of their Christian denomination, signed and dated by the appropriate minister

Priority 8 - In accordance with the provisions set out in section 1.24 of the School Admission Code the governors will offer up to 16 (i.e. 10%) places to those pupils who can demonstrate an aptitude in the performing arts i.e. Music, Dance, Drama and who live in the designated area.

Priority 9 – All other children living within the designated area.

Priority 10 – All other children

Notes

Please see full policy for information regarding the designated area, the Supplementary Information Form and details regarding the certificate and forms that need to be submitted directly to the school by the closing date.

Where applications cannot be separated by applying the oversubscription criteria, random allocation i.e. the drawing of lots will be used to determine the order of the ranking. This will be supervised by someone independent of the school.
