HAVE YOUR SAY ON IMPROVEMENTS TO YOUR HIGH STREET

Improvements are planned for your high street by Bath & North East Somerset Council. They are scheduled to be completed by Summer 2025. The project is funded by the Mayoral Combined Authority's High Streets programme and Community Infrastructure Levy.

These improvements could include street furniture, cycle stands, street 'greening', art installations, events, seasonal street dressing and artistic signage. We want the views of local people to shape these projects.
