## OUR BUNDLES

### ORCHID - LEGAL VOWS WITHIN THE CEREMONY

Our Orchid bundle is our most popular offering and perhaps the ceremony you will be most familiar with. During this ceremony, the marriage or civil partnership will become legally binding and there is no need to have a separate ceremony. You can personalise your ceremony in many ways, the only thing you are not able to include is any religious references or a handfasting ceremony.

This bundle is available at all our licensed premises, a full list of venues can be found on our website.

### JASMINE - CEREMONY WITH 10-15 MINUTE LEGAL CEREMONY SAME DAY

Our Jasmine bundle is suitable for couples who want a ceremony lead by one of our celebrants, and be legally married or form a civil partnership the same day. With this bundle, you can have religious poems and readings. One of our celebrants will perform the ceremony and a 10-15 minute legal ceremony can take place either just before or after the celebrant lead ceremony. This is

available at licensed premises, a full list of venues can be found on our website.

### IRIS - CEREMONY WITH SEPERATE REGISTER OFFICE CEREMONY

This bundle combines a ceremony lead by one of our celebrants with a separate register office ceremony on a different day. You may wish to opt for this bundle because you would prefer to have your legal ceremony on a different day. With this bundle, this includes your celebrant for your ceremony and your registrars for you legal ceremony at the Guildhall.

### BLUEBELL - CELEBRANT LEAD CEREMONY

Our Bluebell bundle is best suited to couples who want one of our celebrants to deliver their ceremony but require no legal ceremony. This may be for a number of reasons, such as you may already be legally married or plan to be legally married in a different district or country, but would like to have your ceremony in Bath & North East Somerset.
