NO SET FARE

Councils in positions 350-355 do not impose a tariff for their hackney carriages and instead the individual vehicle charges an agreed fare prior to the journey.

**NATIONAL AVERAGE  
TWO MILE HACKNEY FARE  
TARIFF ONE  
IS NOW £6.28**

**PLEASE NOTE**

This month sees the single biggest rise in an average two-mile taxi fare nationwide in our tables with this month's additions. On average a two-mile fare increased by 7p across all our listing.

Where an (x) appears by a listing, a fare update has been passed by the council, but our fare has not increased.

In the case of Cotswold where a (y) appears alongside the listing, the (y) refers to a fare update but one in which the fare has decreased for a two-mile tariff.
