Introduction

Dear Parent and Carers

Welcome to the Bath & North East Somerset School Admissions Guide

I hope that this booklet gives you most of the information you will need regarding transfer to secondary school. It provides information about schools in the area and how to apply for a place for your child. In addition, individual schools produce their own brochures which will give you further information. They will also welcome your queries and many of them arrange open evenings for prospective parents and pupils. You will find these details on page 58 in this booklet.

Although more than 90% of local families are usually successful in gaining a place at their first preference school, there is a growing pressure on school places and so we have expanded the application process to allow you to express 5 preferences. Naming 5 schools does not reduce your chances of getting your first preference but reduces the chance of you being offered a school which you haven't requested and could be some distance away.

Transfer to secondary education is an important step and we want to make it as straightforward as possible for you and your child. This will help us meet our commitment to work in partnership with parents and schools to provide high quality education for all children in Bath and North East Somerset.

Yours sincerely

Christopher Wilford

Director of Education

August 2025

Deciding on a school preference

Decide which schools you would like to consider making an application for your child to attend.

Read the information about those schools in this booklet and look at the school's website. You may also want to read other information about those schools from their Ofsted reports etc. You can read this information online at the Ofsted website www.ofsted.gov.uk/reports or contact the school to request a copy of the report.

Visit the schools you prefer and ask any questions about things you may wish to know.

Check the admissions criteria in the booklet for each school you prefer. You need to check to see if you are likely to gain a place. This is very important as some schools decide their own admissions criteria.

When you have all the information you want, decide the order in which to place the schools you prefer. Please consider your preferences carefully as after the closing date any changes made will be dealt with as a late application and your original application will be withdrawn. Your child would then not be considered for a school place in the first round of allocations made in April. You do not have to express a preference for more than one school, but you are recommended to do so as this will increase your chances of being offered a place at one of the schools you prefer. Stating up to five preferences will in no way reduce the chance of being offered your 1st preference school.

Make your application and submit it by the closing date.

This information is given in far more detail in the booklet. Please take time to read it as it will help you to make your application.

The information in this booklet refers to policies for Bath & North East Somerset LA.

Every effort has been made to ensure the accuracy of the information in this booklet. Some details may have changed since publication.

Do's & Don'ts of applying for a school place and an explanation about equal preferences

DO

| |
|--|
| Express a preference for 5 schools. This means you are increasing your chances of being offered a place at a school you like. All preferences are considered equally - <i>see further notes below about equal preferences</i> |
| Put the school names down on your application in the order you like them. |
| Consider how you will get your child to school. |
| Consider the admissions criteria that will be applied if the school is oversubscribed. This booklet provides details of the admissions criteria for schools and academies in this area. |
| Consider naming your local school as one of your preferences. If you do not express a preference for your local school, you will not be considered for a place. This could lead to you receiving an offer of a place some distance from your home address and transport arrangements could prove difficult. |
| Attend school open evenings/open mornings and look at copies of the school prospectus for further information to help you decide which schools you want to apply for. |
| Mention sibling links. If you expect to have more than one child on roll at a school, name the youngest sibling as opposed to the eldest. Read the definition of a sibling in the booklet. |
| Check whether any school you are interested in asks you to complete a supplementary information form (SIF). This is generally a requirement of Voluntary Aided Schools and Academies. Details can be found in their full admission policies, which are available to view on the school's web page. |
| Return Supplementary Information Forms (SIFs) direct to the individual school by the requested date which is usually the same as the closing date but remember that you must still complete a common application form as well. If you only complete a SIF, you have not made an application for a school place. |
| Use the address where you are living as of 31 October 2025 and tell us if you know your address is going to change before 31 August 2026 . (For more details about address changes and documentary evidence see page 28). |
| Tell us if your circumstances change. |
| Do fill out all parts of the application form carefully and read any explanatory notes. |
| Be honest. You need to make sure the information you give us is accurate. We may withdraw the offer of a school place where the application was fraudulent or intentionally misleading. |

DON'T

| |
|--|
| Miss the deadline for submitting your application form. If you miss the deadline your preferences will not be considered until places have been offered to all children for whom we received an application by the submission date of 31 October 2025 . |
| Assume that you do not need to apply for your local 'area' school. Although the Local Authority will provide you with details of the school(s) that serve your home address you must still complete an application form. Even if you have spoken to your local school to inform them that you wish to be considered for a place, this does not constitute an application and is not part of the application process. |
| Assume that you do not need to apply for the school where you already have other children in attendance – you must complete an application form. |
| Assume that just because your child attends a particular junior or primary school that this automatically leads onto a secondary school place. You will need to apply for a place regardless. |
| Name the same school five times: this will be considered as one preference. Naming only one school does not increase your chance of being offered a place at that school. |
| Name a school if you don't want a place there. |
| Assume that automatic priority is given to siblings. Often priority is to local siblings only . You will need to check the individual admissions criteria for the school or academy to see how siblings are considered. This booklet provides details of the oversubscription criteria for schools and academies in this area. |
| Assume that if one child in the family is offered a place that other children in the family (either older or younger) will also be able to gain a place at the same school. |
| Assume that the Local Authority or a school know that you want your child to attend a particular school without you making an application to be considered for a place. |

An explanation about equal preferences

Every year we receive questions from parents who want to know what equal preference means and how it works in practice if they put more than one school name down on their application form. Hopefully the following explanation will help in your understanding.

We recommend you name 5 school preferences on your application as this means that your child can be considered for a place at each of the schools you name.

We publish an admission number for each school. After the closing date we will then know how many preferences have been received for all the schools and academies in our area. At this stage we know whether the individual schools are either under or over their admission number with the preferences that have been received for them.

If the school is undersubscribed, then any of the children whose parents expressed a preference for the school would initially qualify for a place. However, the preferences could be a combination of 1st, 2nd, 3rd, 4th, or 5th preferences.

If the school is oversubscribed, then the admissions criteria must be applied to all the preferences that have been made, and the children are initially listed or ranked against the

admissions criteria. When ranking the children, all 1st, 2nd, 3rd, 4th, or 5th preferences are considered equal. In this way the Local Authority will initially see that some children fall within the admission number for more than one of the schools that were named as preferences on the application. A child can only be offered one school place so in these cases we look at the order you named the schools on your application form and of the schools you are initially qualifying for we keep the highest preference school as the offer.

This includes the higher preference between a boarding or day place if both have been applied for.

Therefore, it is important to list the schools in your priority order. The other lower preference school place that your child initially qualified for is then released for another child and the Local Authority continue to use the ranked list to establish who next qualifies for the place if the school is oversubscribed.

Using the equal preference process means that a school place could be allocated to someone who has named it as a 2nd or lower preference, over someone that has named it as a 1st, this would be because they have been ranked higher in the over-subscription criteria but could not be offered their 1st preference.

It must be acknowledged that the Local Authority cannot always meet parental preferences even if more than one school has been named on the application form. However, by naming more than one preference you are maximising your chances of being offered a place at a school you like, and it does not decrease your chance of qualifying for a place at your 1st preference school.

If you decide to **only** name one school as a preference you can only be considered for a place at that school and this action will **not** increase your chance of being offered a place.

Where parental preference of a school or schools cannot be met then the Local Authority has to offer an alternative school place if you live in its area. The school place offered may not necessarily be close to your home address. It will be the nearest school **with** a place available.

Explanation of terms used in this booklet

Admission Criteria (Oversubscription Criteria)

These describe the way in which the Admission Authority gives priority to children when it allocates places at individual schools. This booklet provides details of the admissions criteria for year 7 and sixth form admissions.

Academy Schools & Studio Schools

In these schools the Academy Trust is responsible for admissions and set their own criteria. The criteria for all Academy Schools within Bath and North East Somerset are outlined in this booklet.

Area of First or Prime Responsibility

These are the geographical areas (catchment) drawn around each school. If you live within this area, you are more likely to be offered a place at the school.

Denominational Schools

In a VA school the church, through the school governors, has a greater say in the running of the school, and is responsible for admissions to the school.

In an Academy School, the Academy Trust is responsible for admissions and set their own criteria. The oversubscription criteria for all Academy Schools within Bath and North East Somerset are outlined in this booklet.

Direct Line Distance*

** Unless otherwise stated in individual schools' admissions policy these definitions apply.*

Distance will be measured in a straight line from the address point of the child's home address to the address point of the school as defined by the Local Land and Property Gazetteer (LLPG). Measurements will be determined using the Local Authority's GIS computerised mapping system with those living closer to the school receiving the higher priority.

The Greater Bath Consortium (GBC)

The GBC is an area of prime responsibility which serves the City of Bath and surrounding parishes. See the map in this booklet for further details.

Home Address

This is the child's permanent address where he or she generally resides with their parents. Temporary addresses may not be used to obtain school places.

In-Year Admissions

Applications for places at a school in an existing year group once the academic year has started from September each year.

Looked after Children (*see also Previously looked After Children*)

As defined in Section 22 of the 1989 Children Act. These children however are often referred to as children in care. In relation to school admissions legislation a 'Looked after child' is a child in public care at the time of the application to a school. * Documentation will need to be provided to Bath & North East Somerset Council as proof of care status.

Multiple Births

If a school is oversubscribed and a child from a multiple birth has qualified for the last available place within the admission number but the other child(ren) from that multiple birth have not qualified for a place. Please refer to Admission Arrangements for the school as to how these will be considered.

National Curriculum Year Groups

Year Group Age of Pupil

| Year | Group | Age of Pupil |
|------|---------------|--------------|
| Y7 | Keystage 3 | 11-12 years |
| Y8 | | 12-13 years |
| Y9 | | 13-14 years |
| Y10 | Keystage 4 | 14-15 years |
| Y11 | | 15-16 years |
| Y12 | Post 16 | 16-17 years |
| Y13 | | 17-18 years |

National Offer Day

These are national dates for announcements about school place offer decisions. For secondary school offers this would be 1 March for on-time applications. If this date falls on a weekend or a public holiday, we will issue offers on the next working day.

Oversubscribed Schools

These are schools where the number of applications is more than the admission number, which is the minimum number the school must admit.

Parent

This includes all those people who have parental responsibility for a child as set out in the Children Act 1989.

Published Admission Number (PAN)

The PAN is the number of children which a school is required to admit in each year group. All schools must offer places up to the PAN and, once that is reached, any further admissions would normally be by appeal to an Independent Appeals Panel. The PAN for each school can be found in the list of secondary school and under the admissions criteria.

Previously Looked After Children (PLAC) & Internationally Adopted Previously Looked After Children (IAPLAC)*

Previously Looked after children (PLAC) are children who were looked after but ceased to be so because they were adopted or became subject to a Child Arrangement order or special guardianship order **as well as** Internationally Adopted Previously Looked after children (IAPLAC), those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted * Documentation will need to be provided to Bath & North East Somerset Council as proof of care status.

Internationally Adopted Previously Looked After Children (IAPLAC)*

A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation, or any other provider of care whose sole purpose is to benefit society and ceased to be in state care as a result of being adopted. * Documentation will need to be provided to Bath & North East Somerset Council as proof of care status.

Siblings*

** Unless otherwise stated in individual schools' admissions criteria these definitions apply.*

A sibling refers to children who are:

- brother or sister or half brother or sister.
- adopted brother or sister.
- stepbrother or sister:
- the child of the parent/carer's partner, and in every case the child should be living in the same family unit at the same address.

School Leaving Age

This is the last Friday in June in the academic year when a child reaches the age of 16.

Special Schools and Special Units

There are three special schools and three secondary schools with a Resource Base within the area, for children who have particular special education needs. Admission to these schools is restricted to children with an Education, Health and Care plan (EHCP) and a separate leaflet is available on this. If you have an enquiry about admission to special schools, please telephone 01225 394306.

Undersubscribed Schools

These are schools where the number of applications is less than the admission number.

Voluntary Aided Schools (VA)

In a VA school the church, through the school governors, has a greater say in the running of the school, and is responsible for admissions to the school. Please refer to the booklet for details of VA Schools Oversubscription Criteria.

How do I know which school will suit my child?

When you decide upon your preferred schools you can make up to **5** preferences. We would **strongly** advise you to use all 5 preferences when completing your application. You are not **disadvantaged** by doing this as all your preferences are given equal consideration and we only consider other preferences if the highest preference school that you have named cannot be offered.

When considering the schools, Appendix 1 of the Secondary School Booklet will show you the schools which have either been over or undersubscribed over the past 3 years. It is worth reading this to help you decide on the schools you select.

If you name 5 schools which are usually oversubscribed and do not qualify for a place you may be offered a school which is further from your home address. This is because legally the Council must give priority, when considering applications, to those parents who have named the school as a preference. Rather than select 5 popular schools you may therefore wish to consider naming an **undersubscribed** school or one where places have previously been allocated to pupils living further away than your home address as one of your preferences which will improve your chance of being allocated a place at a local school. (see table under Appendix 1)

When choosing a school for your child, you have the right to express a preference, **that is limited only by the number of places available at any school**. To help you make your decision, it is important you obtain as much information as possible about the schools you are considering.

You should, where able to, visit local schools and obtain as much information as possible. All schools publish a school prospectus in which you will find an outline of: -

- the school's aims and objectives
- details of the curriculum offered
- National Curriculum Assessment results at the age 14
- attendance figures
- out of school activities
- details of policies such as behaviour and discipline.

Governing Bodies also publish a report to Parents each year and this summarises the school's achievements.

The Office for Standards in Education (OFSTED) now inspects all schools. Reports are available as is a copy of the school's action plan for development that is written after the inspection report is published. These reports can be seen on the Ofsted website or in the schools themselves.

Research has consistently shown that several factors are good indicators in helping you decide whether a school will suit your child. You may wish to consider these when you visit schools before making your decision. Some of the more important factors are: -

- the school places importance on working with parents
- there is a welcoming atmosphere
- staff have high expectations of the children and there is an emphasis on each child's achievements
- the school supports children particularly where there are additional needs
- a wide range of out of school activities is available for all ages and abilities
- other parents are involved in the work of the school and speak highly of it
- the school is well led by the headteacher and governors

- there is a plan showing how the school hopes to develop over the next few years
- the children's work is displayed with care
- governors are fully involved in the life of the school and parents have easy access to them
- the school makes good use of the LA and its support services.

This list is by no means complete and you will be able to judge a great deal from the atmosphere of the school during your visit if this has been possible. All children and all schools are different, and it is helpful if you can visit a number of schools before deciding which school is most likely to meet your child's needs.

You will have heard much about 'parental choice', and it is important for you to consider: -

- **the admissions criteria -**

are you likely to get a place in your preferred school?

- **transport -**

if your preferred school is not the closest to your home, will you be able to organise transport?

This booklet will help you make these important decisions.

Summary

You have the right to express a preference for the school(s) you prefer but do not have a guaranteed choice as we may not be able to meet your preference. We will do all we can to offer your child a place in the school you prefer but remember that some schools become full, and ***we can only offer places up to the school's Published Admission Number (PAN).***

See also page 11 for an explanation about equal preferences.

How Secondary Schools are organised

There currently is 1 Voluntary Aided Denominational school and 11 Academy schools within Bath and North East Somerset with a first admission at Year 7. There are three special schools catering for children of secondary age range. In addition, there are 2 Academies in Bath & North East Somerset with a first admission at Year 10.

Secondary Education

Children normally transfer from primary to secondary school at the beginning of the school year following their 11th birthday. This means that children born on or between **1 September 2014 and 31 August 2015** are due to transfer to secondary school in **September 2026**. Occasionally requests are made for children to transfer outside these age ranges which would be considered by the appropriate admission authority. All schools are comprehensive and provide for the 11-18 age range apart from Broadlands Academy which caters for the 11-16 age range. Some schools have established sixth form links with other schools and colleges to widen the range of sixth form courses available. Details are available from individual schools.

Co-Educational Non-Denomination Schools

Eight schools in the LA are co-educational and non-denominational. These are Oldfield and Ralph Allen in Bath, Broadlands Academy and Wellsway in Keynsham, Chew Valley in Chew Magna, Norton Hill and Somervale in Midsomer Norton and Writhlington in Radstock. Their oversubscription criteria are listed in this booklet.

Academy Schools

There are 11 Academy schools within the area which admit pupils at Year 7. These are Beechen Cliff School, Broadlands Academy, Chew Valley School, Hayesfield Girls' School, Norton Hill School, Oldfield School, Ralph Allen School, Somervale School, St Mark's School, Wellsway School and Writhlington School. In these schools the Academy Trust is responsible for admissions and set their own criteria. The oversubscription criteria for all Academy Schools within Bath and North East Somerset are listed in this booklet.

IKB Studio School and Somerset Studio School in Bath & North East Somerset have a first admission at Year 10. Details of their admissions criteria are available on their web sites.

Denominational Schools

Within the LA there is one Catholic secondary school, located within the GBC. This is St. Gregory's Catholic College. The denominational school in Bath and North East Somerset is run by the Catholic Diocese and the Governors in a Voluntary Aided (VA) school are responsible for admissions and set their own criteria. The oversubscription criteria for all schools are listed in this booklet.

Single Sex Schools

There are two single sex schools within the area. These are Beechen Cliff for boys and Hayesfield for girls. Both are located within the GBC. Their oversubscription criteria are listed in this booklet.

Special Schools and Special Units

The Special Schools for secondary age children are Fosse Way in Midsomer Norton and Three Ways and North Star⁰ in Bath. In addition, Oldfield School, Ralph Allen School and St Mark's School have a special resource base. Admission to these establishments is restricted to children with an Education, Health and Care plan and a separate leaflet is available on this. If you have an enquiry about admission to special schools or special units, please telephone 01225 394306.

Accessible Schools

Bath & North East Somerset Council is aware that some of our older schools, are not easily accessible for physically disabled children or adults. Where possible, we work to make schools more accessible and aim to have at least one secondary school fully accessible in each area. A number of more modern and new schools provide fully accessible facilities.

For secondary phase pupils, there are fully accessible schools in each of the three urban areas, Bath, Keynsham and Midsomer Norton.

Parents are still free to express a preference for a non-designated school for their disabled child, but only 'reasonable' adjustments can be made to accommodate them at these schools. This will not include major building alterations or additions but could include limited adaptations such as fitting an essential handrail or small ramp. Parents are encouraged to visit schools, where able to, and discuss their child's needs with the Head Teacher to ensure the accommodation is suitable.

The following secondary schools are all fully accessible

|---------------------|--------------------|
| Keynsham & Saltford | Broadlands Academy |
| South East Bath | Ralph Allen School |
| Midsomer Norton | Writhlington |

How do I apply for a school place?

Don't be late! If your application is late, it may affect your chances of getting a place at one of your preferred schools. The closing date for all applications is 31 October 2025.

In order that your child can be considered for entry to school for the school year **2026/25** you must complete and submit the common application form by **31 October 2025**. Completed common application forms for residents of Bath & North East Somerset must be returned directly to Bath & North East Somerset Admissions and Transport Team.

Parents/carers who do not live in Bath & North East Somerset but who wish to apply for a place at a secondary school in Bath & North East Somerset must complete the common application form available from the local authority in which they live. If an application form is received from a parent/carer living in England but outside the administrative area of Bath & North East Somerset, the form will be returned to the parent/carer.

Should any parent/carer include on their application form a preference for a fee-paying independent school, the independent school preference will be disregarded and the remaining preferences for schools will be given a higher ranking than that shown on the original application form.

All parents/carers must complete the common application form.

Who should apply for a school place?

Applications should be made by the person who has parental responsibility as the main carer as defined in the Children Act 1989 ([see who has parental responsibility](#)). Parents are asked to confirm this on the application form. Where parents share parental responsibility for a child but live separately if two applications are received from the child's parents the LA will ask them to determine which application it should consider, and which application should be withdrawn. This is because the LA will offer only one school place to a child at any one time. If the parents cannot agree they should resolve the issue through the court system. For example, to obtain a 'Specific Issues Order' which specifies which parent has responsibility to make decisions on school preferences.

However, in the absence of any Order the application received from the parent who receives Child Benefit for the child at the time of the closing date will be the only one considered. Parents may be asked to provide supporting documentation confirming receipt of Child Benefit. Where the parent/carers are not entitled to Child Benefit the LA will ask for proof of the child's home address as held by the doctor's surgery at the point of application. Bath & North East Somerset Council cannot become involved in disputes between parents/carers.

Completing the common application form

Parents/carers of children resident in Bath & North East Somerset have two options for completing the common application form:

- [Apply Online](#): You may apply using your mobile/tablet/handheld device
- Print and complete the application form available to download at [Admissions to Schools](#) and return it to the address indicated on the form or by email to admissions_transport@bathnes.gov.uk. Please be aware that a paper application form received by post will only be acknowledged if you have provided a stamped addressed envelope or card.

Applying online

You will need to have an email account set up before registering to make your application online. You will be asked to complete security details, such as email and password and then you'll receive a code to access the portal to make your application. Once you have completed and submitted an online application form you will receive an email to confirm your application has been received.

Online applications: You may change the details on your application up until the closing date, though it is very important to remember to re-submit each time you view or make changes to your application. If you do not re-submit your application after making changes it will not be submitted on-time, and your application will be treated as late.

Completing and returning a paper application form

Completed common application forms for residents of Bath & North East Somerset must be returned directly to Bath & North East Somerset Admissions and Transport Team. Applications for a place will be considered only if parents/carers have submitted the completed common application form by the closing date of **31 October 2025**. Any change in preference received before the closing time and date will supersede all previous applications which will be withdrawn.

Change of school preferences or school preference order

After the closing date of **31 October 2025** parents/carers may make a **change of school preference or change of school preference order, but they do so on the understanding that their previous application will be withdrawn, and their child will not be considered for a school place in the first round of allocations even if the original application was received before the closing date.** The change of preference or school preference order will be considered as a completely new late application.

Please note: Each LA owns and hold records for the children resident in their LA at the start of the applications process and as such it is only the original LA that can amend any details relating to the child's application.

Supplementary Information Forms (SIF's)

The common application form must be completed. However, individual schools may wish to use supplementary information forms (SIF's) to collect additional information in order to apply their oversubscription criteria. Please check the oversubscription criteria.

Admission for children with an Education, Health and Care Plan (EHCP)

If your child has an EHCP and you have moved or are moving into the area, you should contact your current named officer who will provide advice to you about the necessary procedures to be followed. Children due to transfer to secondary education in **September 2026** living in Bath and North East Somerset will be issued with details of how to make an application which should be submitted by the closing date of **31 October 2025**. The applications for children with an EHCP are dealt with through the SEN Code of practice and their placement is determined through the statutory assessment process or an annual review of their plan. If a school is named on a plan this will take priority over the Oversubscription Criteria although wherever possible the place will be offered within the Admission Number for the school. Please note that for children with an EHCP the oversubscription criteria listed under Section 10 of this booklet do not apply.

Who has parental responsibility?

*Definitions taken from [Gov.UK](https://www.gov.uk)

A mother automatically has [parental responsibility](#) for her child from birth.

A father usually has parental responsibility if he's either:

- married to the child's mother
- listed on the birth certificate (after a certain date, depending on which part of the UK the child was born in)

You can [apply for parental responsibility](#) if you do not automatically have it.

Births registered in England and Wales

If the parents of a child are married when the child is born, or if they've jointly adopted a child, both have parental responsibility.

They both keep parental responsibility if they later divorce.

Unmarried parents

An unmarried father can get parental responsibility for his child in 1 of 3 ways:

- jointly registering the birth of the child with the mother (from 1 December 2003)
- getting a parental responsibility agreement with the mother
- getting a parental responsibility order from a court

Births registered in Scotland

A father has parental responsibility if he's married to the mother when the child is conceived or marries her at any point afterwards.

An unmarried father has parental responsibility if he's named on the child's birth certificate (from 4 May 2006).

Births registered in Northern Ireland

A father has parental responsibility if he's married to the mother at the time of the child's birth.

If a father marries the mother after the child's birth, he has parental responsibility if he lives in Northern Ireland at the time of the marriage.

An unmarried father has parental responsibility if he's named, or becomes named, on the child's birth certificate (from 15 April 2002).

Births registered outside the UK

If a child is born overseas and comes to live in the UK, parental responsibility depends on the UK country they're now living in.

Same-sex parents

Apply online at: bathnes.gov.uk/school-admissions

Civil partners

Same-sex partners will both have parental responsibility if they were civil partners at the time of the treatment, e.g., donor insemination or fertility treatment.

Non-civil partners

For same-sex partners who are not civil partners, the 2nd parent can get parental responsibility by either:

- [applying for parental responsibility](#) if a parental agreement was made
- becoming a civil partner of the other parent and making a parental responsibility agreement or jointly registering the birth

All parents (including adoptive parents) have a legal duty to financially support their child, whether they have parental responsibility or not.

Parental responsibility would also apply to a child's guardian (appointed under a will), any person granted a Residence Order for the child, or the Local Authority if a Care Order is in force in respect of the child.

What else do I need to consider when completing my application?

Find out which schools serve your area

Some schools serve Areas of Prime Responsibility (APR) also known as area/catchment schools. Where an APR exists, the area indicates to parents/carers the schools which normally serve the home address. Most schools in Bath & North East Somerset Council give priority to those children who live within the APR of the school, though there is no guarantee that places will be offered to all those living within the APR. A map (**on page 43**) of the booklet shows the location of each school and a section along with details of the APR where appropriate. If you are unsure which schools serve your area, please contact the Admissions & Transport Team.

We strongly recommend that you indicate a preference for a school that normally serves your home address (your APR school). This will increase your chances of getting a place at a local school, if your highest-ranking preference cannot be met (if, for example, your highest-ranking school is over-subscribed from applicants living within that school's APR or living closer than you and/or any higher priority applications).

Local sibling links – younger brothers and sisters

Many parents/carers express a preference for younger brothers and sisters to attend the same school. Please check the oversubscription criteria for allocating places as some schools give priority to local siblings. You should be aware that a local sibling is not the same as a sibling. Children are normally defined as local siblings if:

- they live within the APR.

And

- they are full or half brother or sister; or
- they are adoptive brother or sister; or
- they are children of the same household.

And

- the older sibling is already in attendance at the preferred school and will be in attendance in **September 2026** (please refer to the school's oversubscription criteria)

Please note that the offer of a place at any school does not guarantee an offer of a place for a sibling at a later date. Different admission authorities will vary in the priority that they give to siblings. You will need to consult the relevant admission authority for further advice, i.e., where an admission authority serves an Area of Prime Responsibility, only children who live within the Area of Prime Responsibility may be afforded priority of admission under the local sibling criterion.

You should note that your child will not be considered under the local sibling criterion if you do not meet the criteria above. To be defined as a 'local sibling' a child must live in the APR for the school. It is therefore important that you consider stating a preference for your local/nearest school, particularly if you have younger children who you would like to attend the same school in later years. Please refer to the full admission arrangements for the school.

Consider how you will get your child to school

It is your responsibility as a parent/carer to get your child to school. You must think very carefully about the distance from home to school and about how your child will travel to school.

Most children are not eligible for free transport to school. You may wish to contact your local school and ask for details of their school travel plan. The plan identifies various measures the school has put into place to help reduce the number of car journeys made to and from school. Alternative travel options and schemes include road safety workshops, and cycle training. The range of transport options available in Bath & North East Somerset can be found on the council's website at [School Transport](#)

Some schools receive more applications than there are places. While we will do our best, there is no guarantee that we will be able to offer you a place at your preferred school even if you meet the admission criteria.

What if I change my mind before the closing date?

Any change in preference received before the closing date will supersede all previous applications. Previous applications will be withdrawn.

Please remember if you submit your application online and make changes to or view your application you will need to ensure you re-submit your application.

Applications or changes of preference received after the closing date are 'late applications' and will not normally be considered for the initial allocation of places.

What happens if my application is late?

If your application is late, it will affect your chance of getting a place at one of the schools you have stated as a preference for your child. On time applicants will be allocated a school place before late applicants. Only in exceptional circumstances will Bath & North East Somerset Council consider that there are extenuating reasons as to why the application could not have been submitted by the closing date and for allowing the application to be treated as if it had arrived on time. This will only apply to late applications received before **07 November 2025**.

Examples of extenuating circumstances might include a close family bereavement or a serious illness for which documentary evidence would be required.

Tell us if your circumstances change

If your circumstances change during the application process or if you know in advance that your circumstances are going to change, for example you are planning to move home before your child starts school, it is important that you tell us.

Be honest – we may ask for documentary evidence

Ensure the information you give us is accurate. In fairness to all parents/carers, Bath & North East Somerset Council reserves the right to require documentary evidence in support of the application and to make its own enquiries. Examples of evidence which may be requested include a birth certificate, a copy of a court order, a solicitor's letter confirming exchange of contracts (and completion date on a new property), a rental agreement, a letter from an employer, a utility bill or evidence of child's residency. Please be aware that Bath & North East Somerset Council may withdraw an offer of a place where an application is fraudulent or intentionally misleading.

If false information is provided on an application form before an offer of a school place is made, then the application will be void. Parents could submit a further application if they so

wished. If this application is received after the closing date it will then be regarded as a late application. If it is found that a sibling currently at the school was offered a place based on false information, then for any further application received the LA will discount the sibling connection.

[Back to Contents Page](#)

Home Address

Use your child's permanent home address

You must apply using your child's permanent home address as of **31 October 2025**. The child's normal permanent home address where he or she lives with his or her parents or legal guardians will be used to decide where the child lives. Bath & North East Somerset Council cannot accept an address of a business, relative, friend, childminder, or a temporary address.

In fairness to all parents, the Council reserves the right to require documentary evidence of the genuineness of a family address and if this is not produced the Council reserves the right to make its own enquiries with, for example, the Council Tax Office.

Temporary addresses cannot be used to obtain school places. If parents or guardians plan to move documentary evidence will be required and in order for any address changes to be considered in the first round of allocations made on **2 March 2026** the appropriate documentary evidence must be submitted by midnight on the closing date and time of **31 October 2025**. However, if details of a change of address that will occur after the closing date (and before the start of term 1) is received with the appropriate documentary evidence by **07 November 2025** i.e., before the LA has sent details of applications to other councils, it will be considered in the first round of applications. **In all cases, it is the parent or carer's responsibility to confirm with the LA that they have received the documentary evidence by the deadline.** Examples of evidence that may be acceptable to determine a child's address are: -

| Type of House Move | Evidence |
|--|--|
| Property Purchase | A solicitor's letter confirming the exchange of contracts and completion date for a property which is being purchased or a property which is being sold. |
| Property Rental | A copy of a signed rental agreement or a solicitor's letter if moving to a council or rented property and proof of your sale or Notice to Quit on your current/previous property. |
| Property Rental/Purchase (Recently moved) | A copy of a council tax bill or utility bill such as water, gas, or electricity in your name for your newly owned or rented property together with proof of your sale or Notice to Quit on your current/previous property. |
| Moving in with a relative | If you are moving in with a relative a letter from them will be required confirming the date you will be moving in together with a copy utility bill showing their name and address. A solicitor's letter will also be required confirming that completion of contracts has taken place on your sale or Notice to Quit on your current/previous property. |
| Armed Services or Crown Servant | In the case of children of UK Service Personnel with a confirmed posting to the area or Crown Servants returning from overseas, an official letter declaring the relocation date and a Unit postal address or quartering area address should be provided. |
| Boaters | In the case of children from the boating community (Boaters) without a permanent mooring, the parent/carers will be asked to provide details of their sorting office, post office/poste restante address and this will be used for allocation purposes. Proof in the form of a boating licence will also be required and must be submitted at the time of application. |

If you are intending to move to another Local Authority, then please check what documentary evidence they require and the dates by which this needs to be submitted to them as they may be different to the above. It is the parent or carer's responsibility to confirm with that LA that they have received the documentary evidence by their deadline.

Applications received each year will be checked to confirm addresses using for example the electoral roll, council tax offices and if appropriate the school currently attended before allocations are made. A copy of a recent utility bill may also be requested. In certain additional cases proof of residency will also be determined by using the above methods. Once proof is obtained to the LA's satisfaction that the parent is resident at the address given it will be accepted that the child is also resident at the same address.

Things to consider in advance of a house move

Parents/carers considering a house move in advance of submitting an admission application will very often want to research the local schools that serve their new address. Parents/carers of more than one child may want to reassure themselves that their younger child will have a good chance of obtaining an offer of a school place at the same school as their elder sibling. In these circumstances, parents/carers are advised to consider the following:

- the schools closest to your new home address/which schools serve your new local area
- the admission arrangements for your preferred school(s) for the relevant year of admission
- the consequences of moving home on the outcome of your admission application for younger children, the distance from your new home to your preferred school(s) and how you will get your child to school

Please be aware that sometimes a house move can mean that families with more than one child no longer qualify for admission to their preferred school(s) under the local sibling criterion. This can cause disappointment for families who want their children to attend the same school. While there can be no guarantee about the outcome of admission applications, parents/carers are advised to read the full admission policies for a school and understand the information contained in the admission booklet.

What happens to my application?

Co-ordinated admissions

All local authorities must have a co-ordinated admission scheme which allows details of applications to be shared with other admission authorities, as appropriate, to ensure that parents/carers receive an offer of a single place on the offer date.

Considering your preferences

Once we receive your completed application by **31 October 2025**, we will consider all your preferences against the relevant admissions criteria, and we will try to offer you a place at one of your preferred schools.

Any school which operates criteria for selection by ability or aptitude must ensure that its arrangements for assessing ability or aptitude, to enable decisions to be made on preferences received, conform to the timing requirements of the admissions scheme.

In the case of admission to academies and voluntary aided schools in Bath & North East Somerset all applications will be considered with reference to their own oversubscription criteria including any supplementary data where necessary. Ranked lists of potential offers will then be returned to Bath & North East Somerset Council including the reason why each applicant qualified for a place, by **05 January 2026**. The list will also include those pupils, for whom a place cannot be offered, in rank order, explaining the reasons for refusal against the oversubscription criteria, and in the order in which additional offers will be made should places become available.

Schools **will not** be notified of the preference order of an application until final offers have been made, and schools receive the outcomes on **23 February 2026**.

Applications for all schools will be considered under an 'equal preference' system. This means that all your preferences will initially be considered equally against the oversubscription criteria regardless of the priority order that you put them in. This does not mean that we disregard your preferences; it means that if you are unsuccessful in gaining a place at your first preference school, your other preferences will not be treated any less favourably just because you placed them as a lower preference.

Receiving your offer

Online applicants will be able to view the outcome of their application for a school place on **2 March 2026** by logging onto the online system using their password. If you applied using the paper application form and opted to receive the outcome via email, this will initially be sent to your email account. If you have not opted to receive the outcome via email you will be notified of the offer of a school place by letter to be posted 2nd class on **2 March 2026**. Bath & North East Somerset Council is unable to inform parents/carers of the offer by telephone.

Bath & North East Somerset Council will make the single offer of a place for Year 7 to parents/carers resident within its area. Places will be allocated against the published oversubscription criteria without reference to the applicant's order of preference. Where a child qualifies for a place at more than one school, the final offer will be the highest ranked school with a place available.

In the case of parents/carers resident in Bath & North East Somerset being refused a place at all of their preferred school(s), an alternative school place will be offered to their child at the nearest school to the home address with a place available and they will be informed of the options available at that stage including their right of appeal.

Parents/carers must respond to the offer directly to Bath & North East Somerset Council by **16 March 2026**.

Late applications

Applications received after the closing date are 'late applications' and will not normally be considered for the initial allocation of places. However, Bath & North East Somerset will consider the circumstances of a late application before deciding whether to consider it along with the on-time applications.

For over-subscribed schools, if places become available following the initial allocation of places for a school, the same criteria will be applied to 'late applications', formal appeals and for children whose parents/carers have just opted to be on the waiting list. Where a place can be offered at a higher preferred school for a child as either a late change of preference, from the waiting list or appeal, **any place previously offered at a lower preference school will be withdrawn.**

In the case of under-subscribed schools all late applications received since the closing date and up until the **30 March 2026** will be considered together in the second round of allocations. If the school is, then oversubscribed all late applications will be considered under the admissions criteria. If the school is still undersubscribed all applicants will be offered places and any further late applicants dealt with on a first come, first served basis.

Details of late applications, on time applicants still seeking a place at their preferred schools and of places not accepted following the initial allocations will be exchanged with academies, voluntary aided schools, and other local authorities as far as possible by **17 April 2026** to enable a second round of allocations for all schools to take place **from 06 May** until the end of **May 2026**.

The co-ordinated admissions process will continue to be operated, with application data being exchanged with academies, VA schools and other local authorities as appropriate, for all applications received up to **31 August 2026**.

[Back to Contents Page](#)

I've been offered a school place, what next?

Once you receive your offer of a school place on **2 March 2026** you must respond to the offer directly to Bath & North East Somerset Council by **16 March 2026**. Note: If you applied online, you will be able to view the outcome of your application online via the parent portal.

All offers are accompanied with details explaining the next stage of the process. Your options are as follows:

- accept the place offered
- ask Bath & North East Somerset Council to consider your child for a place at an alternative preferred school(s)
- opt to put your child's name on a waiting list but not formally appeal (this applies **only** if you have been refused a place)
- appeal against the Admission Authority's decision to refuse a place at your original preferred school(s). Your child's name will also be added to the waiting list for the school(s) concerned.

Where a response from you has not been received by **16 March 2026**, we will contact you to advise you of the need to respond within one week and point out that the place may be withdrawn if you do not. Where a place has been withdrawn this will be confirmed in writing.

Withdrawing offers

Once the offer of a place has been made, the Admission Authority may withdraw the offer, but only in very limited circumstances, for example:

- where the application was fraudulent or intentionally misleading; or
- where a parent/carer has not responded to the offer within the time requested; or
- where it is possible to offer a higher named preference
- where the offer was made because of an administrative error

Waiting lists

The waiting list comprises those children refused a place whose parents/carers have lodged a formal appeal or have just asked to go on a waiting list.

A waiting list will be maintained for any vacancies which occur until at least the end of Term 2 (**December 2026**) and then discarded. It is for each admission authority to determine whether they will maintain waiting lists after the autumn term. Priority order on the waiting list will be determined by the oversubscription criteria, not by the date of joining the waiting list.

If you choose to join a waiting list, and a place becomes available at your higher preferred school for your child, during the normal admissions round, then **the place previously offered to you at the lower preference school will be automatically withdrawn**. If you no longer wish to be considered for any of the schools where you are on the waiting list, you **must** tell us in writing or via your online portal account that you wish to be removed.

Children who are the subject of a direction by a local authority to admit or who are allocated to a school in accordance with the Fair Access Protocol must take precedence over those on a waiting list.

Where a place becomes available and the LA or the admission authority, after using all advised contact details is unable to contact a successful applicant for a place within 10 school days, the available place will be offered to the next child to qualify for a place. Where an applicant decides to place their child(ren)'s name on a waiting list, it is for the applicant to

keep Bath & North East Somerset Council, and the school informed of updated contact and address details.

Can I appeal if my child has been refused a place at my preferred school?

If a place is not offered at the parent's/carer's preferred school, there is the right of appeal to an independent appeal panel. When offers of places are made on **2 March 2026**, if it has not been possible to offer your child one of the schools named as a preference, you will automatically be sent details of how to appeal. Pending your appeal, your child will be offered a school place at a lower named preference if possible or at the nearest school with a place available.

Further information concerning how to appeal will be explained in the decision letter and it will give the reasons for the refusal by the school's admission authority. Details of the appeal arrangements for academy and voluntary aided schools can be obtained directly from the schools concerned.

Please note that if you wish to appeal for one of these schools, your appeal should be returned to the address on the appeals form. As already mentioned, details concerning how to appeal will be explained in the decision letter, but you will have at least 20 school days from the date of notification that your application was unsuccessful to prepare and lodge your written appeal.

Appeals must be made in writing and include:

- name, address, and date of birth of your child
- name of the preferred school
- reasons for preference
- grounds for the appeal.

The appeals panel will pay attention to circumstances which support your application for the school together with the Admission Authority's reasons for refusal. The appeals panel is not bound by the Admission Authority's published criteria and has the power to exceed the school's Admissions Number. The panel's decision is binding for you, the school, and the schools Admission Authority.

Can I have a second appeal for the same school?

If an appeal is unsuccessful there is no automatic right to a further appeal. However, if there are significant and material changes in the circumstances of the parent/carer, child, or school since the time of the original appeal, these will be considered. A significant and material change in circumstances might include:

- where a change of address has occurred since the original appeal which means the home address is significantly closer to the preferred school or is now in the Area of Prime Responsibility for the preferred school
- where a sibling link has been created at the preferred school which was not there at the time of the original appeal
- where new evidence is provided and is supported by a letter from a doctor, psychologist, social worker, or health visitor which could not have been introduced at the time of the original appeal hearing

Any requests for a further appeal should be made in writing to the relevant admissions authority for the school.

Travel assistance to school – what you need to know

Sustainable modes of Travel to School.

Bath & North East Somerset Council is fully committed to promoting walking, cycling and, for longer distances, greater use of buses for the school journey.

When you are thinking about schools you would like your child to attend, please consider the following:

- Children who walk to school are fitter, have better developed social skills, are more familiar with their surroundings, have better road sense and arrive at school more relaxed and ready to learn.
- Walking, cycling, or using public transport offers children greater independence and flexibility - which is especially important at a time of change in the nature of the school day, with greater numbers of pupils staying for extra study, extracurricular activities, and sport.
- Walking, cycling, or using the bus reduces congestion on the roads.
- Consider the cost of driving your child to school.

Where walking, cycling or public transport are not feasible, car sharing may be an option. This can save time and money and helps cut traffic congestion and air pollution as well as being sociable for children. Car sharing can also reduce the costs for children whose families do not own a car.

Parents who are interested in learning more about their children's School Travel Plan, or in helping to implement the actions within it, should contact their child's school.

Will I be offered free travel assistance to school?

The policies that apply to school admissions and transport to school operate separately. If a pupil is offered a place in a preferred school this does not in any way guarantee that assistance with travel will be available. If transport to school is an issue for you when applying for a school, you are strongly advised to take this into consideration before stating your preference.

There can be several reasons why a child may qualify for home to school transport. The home address which determines entitlement to transport is the place where the child is normally resident with his or her parent(s). Entitlement differs between primary and secondary aged pupils and Post 16 pupils. Please refer to the sections below for further information.

It is your responsibility as a parent/carers to get your child to school. You must think very carefully about the distance from home to school and about how your child will travel to school. Most children are not eligible for free travel assistance to school.

How do I check if my child is eligible for free travel assistance to school?

The LA will provide free transport between home and school if:

- the school attended is the nearest appropriate one (APR, area/catchment school), as designated by the LA, and
- the distance between home and that school, when measured by the nearest available walking route is **three miles** or more for children aged eight years and above. These distances are referred to as "statutory walking distances".

- the LA will also provide transport if the school attended is the closest school to your home address and closer than the designated school (APR, area/catchment school) and the statutory walking distance given above are met.

Children starting in Year 7 are currently automatically assessed for school transport by the local authority. This may be changing in the future as Bath & North East Somerset is considering moving towards self-assessment for school transport. If and when this takes place, further details would be available on the [School Transport](#) website.

Note: Assistance with travel, if agreed, is provided only at the beginning and end of the normal school day and from the home address.

If you do not apply for your nearest appropriate school as your highest-ranking preference your child may not be given free travel assistance to any school. You must then accept full responsibility for the cost and arrangements of your child's travel to and from school for the duration of their secondary phase education.

Additional Transport for Low Income Families

Transport will be provided for children of secondary age between the age of 11 and 16 who live between two and six miles from one of their closest 3 schools and are in receipt of or entitled to Benefit Based free school meals or their maximum level of working tax credit (with no reduction due to income). The distance is measured in the same way as the statutory walking distance. This is not automatically assessed, and parent/carers must make an application.

Transport on Medical Grounds

In exceptional circumstances home to school transport may be provided on medical grounds, to enable pupils to attend their designated area school even though they may live within the statutory walking distance from the school. The Health Authority or your General Practitioner will need to supply details of the child's medical needs.

Will I be offered travel assistance to a faith school?

From September 2014 the Council agreed a phased withdrawal of subsidised home to school transport services for new starters attending denominational schools from September 2014 who would not qualify under other home to school policy subsets, (e.g., as a low-income family) save in the case of children with siblings currently at the school and who qualify under the denominational transport scheme. This option would not affect students who attended the school before then, only new pupils joining after September 2014.

Some children might still, in a few cases, be entitled to transport where a child attends a specific school for denominational reasons and has a sibling currently at the school and who qualifies under the denominational transport scheme.

Further information regarding the entitlement and charges for denominational transport can be found on the council's website at [School Transport](#). Please note that there will likely be an inflationary increase each year.

Parents/carers considering admission to a faith-based secondary school are advised to consider the journey involved and how their child will travel to school.

Fare Paying Passenger Transport Scheme

If your child is not entitled to transport under the above policies, they may be able to take up a spare seat on a hired vehicle only (this does not include public bus services), if one is available, on payment of the termly charge determined by the LA. However, it must be emphasised that before making your application, it is of vital importance that you understand that seats either may not be available at all if the fare paying passenger transport scheme ceases or once offered can be withdrawn at short notice (normally one month) if:

- a child entitled to free transport requires a seat on the vehicle
- it becomes possible to reduce the size of the vehicle provided for passengers entitled to free transport
- the vehicle is no longer required for passengers entitled to free transport and the service is withdrawn altogether

Behaviour on Transport

Children travelling on LA transport are expected to conform to the accepted code of behaviour which applies in the school. Any breach will be dealt with by the school.

Summary

Remember that you may only qualify for free transport if your child is attending the nearest appropriate school.

In-Year admissions

Applications during the school year 2026/27 (In-Year admissions)

If you move into the local area during the school year 2026/27 or are already resident in Bath & North East Somerset and wish to move your child to another school, you will need to complete the In-Year application form. The forms can be used to apply to any school within the Bath & North East Somerset Council area and is available at [In Year Admissions](#). Alternatively, you may contact individual schools or the Admissions & Transport team for an application form.

For In-Year admissions, completed application forms should be returned direct to the admissions authority for the school you have named as your preference. On receipt of an In-Year application, all schools **must** notify Bath & North East Somerset Council of both the application and its outcome.

Academies and Voluntary Aided schools are their own admissions authorities. Own admission authority schools may also require parents/carers to complete a supplementary information form (SIF) to enable the school to collect additional information to apply their over-subscription criteria.

In-Year applications for Bath & North East Somerset secondary schools can be made for any year group, even if the school has reached its PAN. You can make separate applications for more than one school. Your application will be considered against the admission criteria if more applications are received than there are places available so the school can determine who qualifies. For In-Year Admission Arrangements for each school please refer to the individual admission policies, also available on the school's web page.

Offers of a school place (In-Year admissions)

Where a parent/carer has been offered a place for their child, they will be expected to take up the offered place within 28 school days otherwise the offer of a place may be withdrawn.

Refusal of a school place (In-Year admissions)

Where a parent/carer has been refused a place for their child, the decision letter will give the reasons for the refusal by the school's admission authority and the next stage of the process available to you.

Your options are as follows:

- opt to put your child's name on a waiting list but not formally appeal (this applies **only** if you have been refused a place)
- appeal against the Admission Authority's decision to refuse a place at your original preferred school(s). Your child's name will also be added to the waiting list for the school(s) concerned.

Details of the appeal arrangements for academy and voluntary aided schools can be obtained directly from the schools concerned.

Fair access for children admitted outside the normal admissions round

Bath & North East Somerset Council has a Fair Access Protocol which provides for children admitted to school outside the normal admissions round. The protocol exists to ensure that access to education is secured quickly for children who do not have a school place and that all schools take their fair share of vulnerable children or those who are hard to place. The protocol will be used to place children during the school year and not at the beginning of the school year as part of the main admission round. Most children will be admitted to school under normal admission procedures.

The protocol applies to the following groups of children:

- children either subject to a Child in Need Plan or a Child Protection Plan or having had a Child in Need Plan or a Child Protection Plan within 12 months at the point of being referred to the Protocol.
- children living in a refuge or in other Relevant Accommodation at the point of being referred to the Protocol.
- children from the criminal justice system.
- children in alternative provision who need to be reintegrated into mainstream education or who have been permanently excluded but are deemed suitable for mainstream education.
- children with special educational needs (but without an Education, Health and Care plan), disabilities or medical conditions.
- children who are carers.
- children who are homeless.
- children in formal kinship care arrangements.
- children of, or who are, Gypsies, Roma, Travellers, refugees, and asylum seekers.
- children who have been refused a school place on the grounds of their challenging behaviour and referred to the Protocol in accordance with paragraph 3.10 of the Admissions Code.
- children for whom a place has not been sought due to exceptional circumstances.
- children who have been out of education for four or more weeks where it can be demonstrated that there are no places available at any school within a reasonable distance of their home. This does not include circumstances where a suitable place has been offered to a child and this has not been accepted; and
- previously looked after children for whom the local authority has been unable to promptly secure a school place.

Full details of the Fair Access Protocol are available on the council's website under 'Apply for an In-Year school place' at [Admissions to Schools](#)

Please be aware that there is no guarantee that a place will be offered at a school of your preference, and you still have the right of appeal regardless of your child's circumstances (except in very limited circumstances, for example if your child has been twice excluded from school).

Admission of refugee children

- The normal admission process is applied to admission applications received from all parents/carers, including parents/carers of refugee children.
- The council will need to be satisfied those applicants have a right to education in the UK.
- The council will seek appropriate verification in advance of processing applications for admission to school
- Where parents/carers are unhappy with the allocated school, there is a right to an independent appeal

Early/late transfer of children

It is Bath & North East Somerset Council policy that children should move from one year group to another with their chronological age group, including children with special educational needs and those with English as an additional language.

Exceptionally, a child may be educated with a peer group one year younger or one year older than their chronological age group. This needs careful thought. Once placed in a younger age group it is difficult, if not impossible, for a child to return to their chronological age group successfully. Equally, once accelerated it is very difficult for a child to return to their age group without feeling demoralised. If it is agreed that it is in the child's interest to be educated with a younger or older peer group, you will be required to sign a form to confirm that you understand and accept the implications of late/early transfer. If you are seeking early/late admission to a Bath & North East Somerset school you should please read the [delayed and accelerated admissions policy](#) which is available on our web page before submitting the request for consideration to the appropriate admission authority.

A child without an Education, Health and Care Plan may be educated with a peer group one year younger if there is an identified educational need and particular conditions are met. Further details are available from the school concerned and the Special Educational Needs Section.

Additional Information

Parents of **children of existing primary and secondary school age** moving into the LA or wishing to change their child's school for any other reason can apply for places within this LA at any time. Please see the information given under In-Year admissions which explains how to apply and how your application will be processed.

Below is a list of points which schools must not do:

Admission authorities **must not** use supplementary application or information forms that ask:

- a) for any personal details about parents and families, such as maiden names, criminal convictions, marital, or financial status (including marriage certificates).
- b) the first language of parents or the child.
- c) for details about parents' or children's disabilities, special educational needs, or medical conditions.
- d) parents to agree to support the ethos of the school in a practical way.
- e) both parents to sign the form or for the child to complete the form.

Areas of Prime and First Responsibility for Secondary Schools

Although the LA tries to offer a place to all children living within an Area of Prime Responsibility (APR) also known as area/catchment schools, this cannot be guaranteed because it depends upon the number of children who apply for a place in a particular year. If it is not possible to offer a place, an alternative school will be offered including transport if the pupil is eligible (See [Travel Assistance to School](#)).

When you are issued with details of how to make your application for a Year 7 place you will be advised which school(s) serve the address at which your child lives. You may express a preference for any school including those situated outside of Bath and North East Somerset, but you will need to think about the transport implications of this when deciding. You should consider naming your area or local school as one of your 5 preferences to try and ensure you are offered a place at a school within a reasonable distance from home. It should be noted that in the Greater Bath Consortium (GBC), area transport is provided to the nearest appropriate school to the home address, providing the pupil is eligible (See [Travel Assistance to School](#)).

The GBC area is an area of prime responsibility served jointly by the schools listed below. A map of the GBC area is provided in this booklet. All schools currently provide for 11-18 age range.

Admissions criteria for secondary schools

When schools are oversubscribed the admission authority for the school must apply criteria for determining which children receive priority for admission. For Academy schools, these criteria are determined by the Academy Trust and in the case of Voluntary Aided schools; these criteria are determined by the Governors.

Please note: all admission authorities are required to publish details of their admission arrangements 18 months in advance of the school year before the arrangements are to apply. For admission in **September 2026** this means that parents/carers were able to read and access the **full arrangements** from **15 March 2025** onwards which are available on [Admission Arrangements 2026-2027](#)

The oversubscription criteria will be applied by the appropriate admission authority to all applications received by the published closing date of **31 October 2025** apart from those received for children with an Education, Health and Care Plan. The oversubscription criteria will be listed under each secondary school on the following pages **but please refer to the full admission arrangements for each school for further information. These are available on the school's website.**

Applications for children with an EHCP are dealt with through the SEN Code of practice and their placement is determined through the statutory assessment process or an annual review of their plan. If a school is named in a plan this will take priority over the Oversubscription Criteria although wherever possible the place will be offered within the Admission Number for the school.

The criteria will also be applied to late applications received after the closing date, if any places become available. These applications will be considered **together** with any applicants who have lodged a formal appeal or asked to remain on the waiting list. Late applications are not considered until all applications received on time have been dealt with.

In year transfer applications should be submitted to the school

***From 01 September 2021**, the admission criteria for Looked After Children and Previously Looked After Children also includes those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted. Please refer to the page 17 for further information.
