BANES Newsletter

Standing together to welcome people from Ukraine

Bath & North East Somerset Council working in partnership with our communities

Introduction

Welcome to the first edition of the BANES Newsletter. We aim to keep Sponsors and Ukrainian guests up to date with the latest information, services, events and much more. We hope that you find the newsletter useful.

To date 128 households across Bath and North East Somerset have welcomed or await the arrival of their guests under the Homes for Ukraine scheme. Under this scheme the council is responsible for inspecting all properties, processing DBS checks and carrying out welfare visits post arrival.

As well as the Homes for Ukraine scheme, people are also arriving in BANES under the Family Visa Scheme as they have relatives that live here. Anyone arriving under this scheme can also receive support (for example in relation to housing or claiming benefits) via visit our website. They can also contact the Community Wellbeing Hub, which will be able to arrange access to an interpreter if needed. More details about the Community Wellbeing Hub are below.
