### 2 Year Funding – V3

#### **Can I have funding for my 2 year old?**

The 15 hours entitlement is available for around 40% of 2 year olds nationally. For details of eligibility see Appendix A

#### **How do I know if my child is eligible for funding?**

If you think your child may be eligible for two year funding either:

or contact the Free School Meals team on 01225 394317. You will need to know your National Insurance number.

If you think you qualify as your child receives Disability Living Allowance or is an adopted child, please call our team on 01225 394317 rather than completing the online application.

#### **How many hours can I have?**

2 year funding is for a maximum of 15 hours a week in school term time or less hours per week spread over the year.

#### **Once a child is eligible, when does the 2 year funding start?**

You can check your eligibility any time in the term before your child's 2<sup>nd</sup> birthday. If eligible the funding can start at the beginning of the term after their 2<sup>nd</sup> birthday.

Where a child is confirmed eligible for 2 year funding part way through a term the funding can start from the date they are confirmed as eligible

#### **Can I backdate my funding if I am eligible?**

The funding cannot be backdated before the date you have been issued with a 2 year eligibility code.

#### **Can I use my 2 year funding at any Early Years childcare provider?**

For a provider to claim funding for eligible 2 year olds, they will need to be graded "good" or "outstanding" by Ofsted. We can however, in certain exceptional circumstances fund individual children at settings with a grading of 'satisfactory' or 'requires improvement'. This is on an individual basis and a decision will be made following discussions with the provider in question.
