

Special Needs and Early Years

All about Me!

Explore our pictures of people, dress up and make a mini self-portrait using card, pastels and collage. This activity supports personal, social and emotional development.

Animal Ark

Use a paper plate to create collage animals. Group them together to create a zoo or farm. Listen to an animal story and enjoy the animals in our wooden ark. This activity supports understanding of the natural world.

Key Stage 1

Plasticine People

Take a lesson with the inventor of Plasticine, William Harbutt. Find out about his life, and his invention of Plasticine. Try a range of ways of using Plasticine to make a 3D sculpture. A special session combining history and art.

Key Stage 2

Pablo Picasso to James Tower

Explore our special exhibition and investigate the work of James Tower and see ceramics by Pablo Picasso. Make a 3D animal and explore natural forms and patterns in collage. Monday 23 September to Friday 1 November.

Face to Face

Use ink and watercolour to create a portrait and explore our portrait collection of paintings, pottery and sculpture.

How to design an exhibition

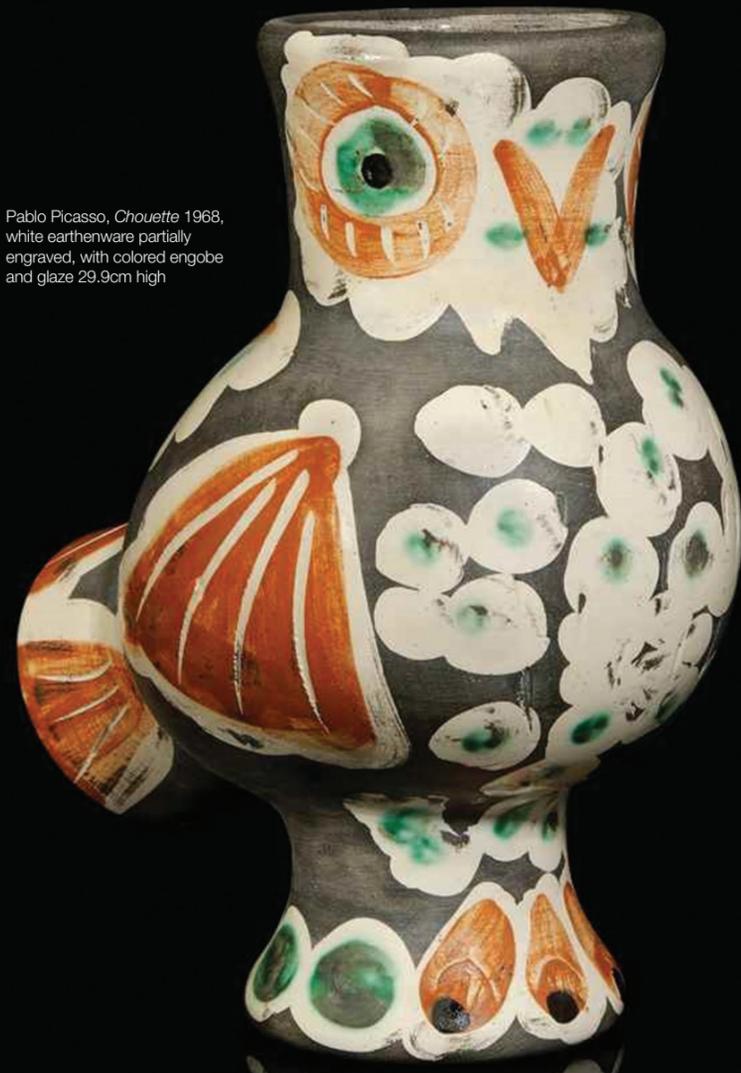

Find out how galleries work: explore displays from a new, expert view point and design a poster for an exhibition.

Creating Landscapes

Enjoy our special exhibition using paper creatively. Investigate British landscapes and create imaginary scenes using magazines, textures and 'torn' paper. Choose a country landscape, city scene or streetscape.

Face to Face with the Greeks

Investigate and sketch the Parthenon Frieze. Explore original Greek objects and find out more about Ancient Greek art and architecture. Children will create a bold design using faces from Greek art and mythology. They will use ideas from the Gallery's displays of paintings and ceramics.

Pablo Picasso, *Chouette* 1968, white earthenware partially engraved, with colored engobe and glaze 29.9cm high

James Tower, *Round Form*, 1983, 55 x 56cm

Try on our replica Victorian costumes!

Roman Baths – www.romanbaths.co.uk

To help with planning your trip use our teacher pack which can be downloaded from the learning pages of the website and also watch our short film.

Try our games, read the stories and use the children's pages.

See our Accessibility Guide on the website.

Something exciting
is happening at the Roman Baths

In 2020 we will be opening a learning centre where we will create an archaeological investigation zone and new learning spaces for school groups.

We will introduce new hands-on activities and sessions. For more information on our project and to support us visit:

www.romanbaths.co.uk/archway

Key Stage 1

The Clothes we Wear

Discover clothing past and present whilst exploring the Fashion Museum's special exhibition of the history of fashion. Handle and examine different fabrics and make a T-Shirt design.

Toys of the Past

A lively 90 minute explorer session investigating and handling a range of toys from the past. Find out what the toys are made from and how they work.

Want to inspire a new generation of sustainable fashion designers?

Fashion & Fairytale are hosting a free community competition and invite students of all abilities from KS1, KS2, Secondary and Undergraduate schools and colleges to submit nature inspired outfit designs by 31 January 2020. Winning designs will not only receive fantastic prizes, but also be created and exhibited alongside international fashion designer Cindy Beadman's iconic gowns at the Assembly Rooms from 2-6 August 2020.

Download their free teaching resources and competition entry form here: www.fashionandfairytale.co.uk/design-competition

Key Stage 2

Down the Decades

Explore fashion from the 20th Century in our display of *Fashion in 100 Objects*. Use colour to design a fashion based on your sketches. Choose a decade and make a 60s black and white, geometric or 70s zany bright design. See designs by Mary Quant, Jean Muir and Yves St Laurent.

Investigating Pattern

Follow our trail to investigate pattern. Evaluate how patterns work in textiles and create a new design for an item of clothing. Explore historic patterns, embroidery and modern designs by Mary Quant, Dior and Galliano.

Shoe special

Explore shoes in our displays and handling collection. See shoes from 1700 to Nike trainers. Investigate how shoes are made and reproduce a shoe from a paper pattern. Develop the paper shoe and strengthen the shoe and upper using coloured papers.

Fashion Museum

THE ROMAN BATHS BATH

Key Stage 2

Meet the Romans

This 60 minute interactive session explores history, literacy, numeracy and art. It is an opportunity to touch real Roman objects, try the 'counter' challenge and 'take a view' on the past.

Roman Life

This 60 minute activity session covers general aspects of Roman life. Handle Roman objects choosing from bathing, building and technology or cooking and food. Add 2 choices from 'togas and tunics', 'write on' or 'marvellous mosaics'.
