To introduce a 20 mph speed limit at Lansdown Road from the existing 20 mph speed limit at St Stephen's Church extending to its junction with Granville Road.

**4. REASON**

Please refer to the Statement of Reasons.

The Council has had in mind and discharged the duty (as set out in section 122(1) of the Road Traffic Regulation Act 1984) to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) so far as practicable. It has also had regard to the factors which point in favour of imposing a 20mph speed limit at Lansdown Road. It has balanced the various considerations and concluded that it is appropriate to promote the 20mph speed limit. The Council has also considered and discharged its network management duty under section 16 of the Traffic Management Act 2004. It has concluded that the proposed 20mph speed limit is consistent with that duty, having regard to its other policies and objectives.

An Equality Impact Assessment has been undertaken in relation to the introduction of traffic management measures, which is available upon request. The Council has had due regard to the needs set out in section 149(1) of the Equality Act 2010. It considers that the proposed Order is consistent with the section 149 public sector equality duty, which it has discharged.

**6. IMPACT ON HUMAN RIGHTS**

The proposals are considered to have a minimal impact on human rights (such as the right to respect for private and family life and the right to peaceful enjoyment of property). However, the Council is entitled to affect these rights where it is in accordance with the law, necessary (in the interests of public safety or economic
