3. PROPOSAL

To introduce no waiting at any time parking restrictions (double yellow lines) on sections of Nightingale Way / Kingfisher Drive and Robin Close, Westfield.

The proposals are shown on the attached drawing.

4. REASON

Please refer to the Statement of Reasons.

The Council has had in mind and discharged the duty (as set out in section 122(1) of the Road Traffic Regulation Act 1984) to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) so far as practicable. It has also had regard to the factors which point in favour of imposing these parking restrictions. It has balanced the various considerations and concluded that it is appropriate to promote the 'no waiting at time' double yellow lines parking restrictions. The Council has also considered and discharged its network management duty under section 16 of the Traffic Management Act 2004. It has concluded that the proposed parking restrictions are consistent with that duty, having regard to its other policies and objectives.

5. IMPACT ON EQUALITIES

An Equality Impact Assessment has been undertaken in relation to the introduction or modification of parking restrictions, which is available upon request. The Council has had due regard to the needs set out in section 149(1) of the Equality Act 2010. It considers that the proposed Order is consistent with the section 149 public sector equality duty, which it has discharged.

6. IMPACT ON HUMAN RIGHTS

The proposals are considered to have a minimal impact on human rights (such as the right to respect for private and family life and the right to peaceful enjoyment of property). However, the Council is entitled to affect these rights where it is in accordance with the law, necessary (in the interests of public safety or economic well-being, to prevent disorder and crime, to protect health, or to protect the rights and freedoms of others), in pursuit of a legitimate aim and proportionate to do so. The proposal(s) within this report are considered to be in accordance with the law, necessary, in pursuit of a legitimate aim and proportionate.

7. SOURCE OF FINANCE

The proposals are funded from the Area Parking Review budget within the 2026/27 Local Active Travel and Safety Programme.

8. CONSULTATION REQUIREMENT

The proposal requires consultation with the Chief Constable, Emergency Services, Road Haulage Association, Freight Transport Association (Logistics UK), Parking Services, Waste Services, Ward Members and the Cabinet Member for Sustainable Transport Delivery.

9. COMMENTS RECEIVED TO DATE

Chief Constable - It is understood from the Statement of Reasons that "*The parking restrictions are considered necessary at key locations within Nightingale Way, Kingfisher Drive, and Robin Close to maintain appropriate visibility at the junctions and access to properties*."

Enforcement of waiting restrictions within the Bath and North East Somerset Council area rests with Bath and North East Somerset Council Parking Services. Consideration regarding the potential displacement of existing parking, and the enforcement needs of these restrictions should be of importance.

The proposals should meet the aspirations behind their introduction.
