### 2. LEGAL AUTHORITY

This proposal is made in accordance with the Road Traffic Regulation Act 1984, which under Section 1 provides, generally, for Orders to be made for the following reasons, and in the case of this report specifically for the reason(s) shown below:

(a)	for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, or	X
(b)	for preventing damage to the road or to any building on or near the road, or	
(c)	for facilitating the passage on the road or any other road of any class of traffic (including pedestrians), or	X
(d)	for preventing the use of the road by vehicular traffic of a kind which, or its use by vehicular traffic in a manner which, is unsuitable having regard to the existing character of the road or adjoining property,	X

(e)	(without prejudice to the generality of paragraph (d) above) for preserving the character of the road in a case where it is specially suitable for use by persons on horseback or on foot, or	
(f)	for preserving or improving the amenities of the area through which the road runs, or	X
(g)	for any of the purposes specified in paragraphs (a) to (c) of subsection (1) of section 87 of the Environment Act 1995 (air quality)	

This proposal is also made in accordance with the Road Traffic Regulation Act 1984, which under Section 23 enables local highway authorities to establish crossings for pedestrians.

This proposal is also made in accordance with The Highways Act 1980 Section 90A which permits a highway authority to both construct and remove road humps in a public road, for which they are the highway authority, if the highway is subject to a legal speed limit for motor vehicles of 30 miles per hour or less or the road humps are specially authorised by the Secretary of State.

### 3. **PROPOSAL**

Introduce a Raised Table Speed Hump on Church Street at the junction with Widcombe Hill.

Revoke Resident Parking Bays and implement No Waiting At Any Time restrictions on Church Street at the junction of Widcombe Hill on the southwest side.

Introduce a Zebra Crossing on Widcombe Hill, west of its junction with Church Street.

The proposals are shown on the attached drawing **Appendix 1**.

### 4. **REASON**

Please refer to the separate Statement of Reasons.

The Council has had in mind and discharged the duty (as set out in section 122(1) of the Road Traffic Regulation Act 1984) to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) so far as practicable. It has also had regard to the factors which point in favour of imposing a new raised table speed hump, a Zebra Pedestrian Crossing and associated No Waiting at Any Time parking restrictions on Church Street and Widcombe Hill. Installing the continuous crossing would reduce vehicle speeds in both directions, thus improving safety for pedestrians and cyclists negotiating the junction. It has balanced the various considerations and concluded that it is appropriate to promote these measures. The Council has also considered and discharged its network management duty under section 16 of the Traffic Management Act 2004. It has concluded that the proposed measures within this report are consistent with that duty, having regard to its other policies and objectives.

## **5. IMPACT ON EQUALITIES**

An Equality Impact Assessment has been undertaken in relation to the new raised table speed hump, Zebra Pedestrian Crossing and associated No Waiting at Any Time restrictions, which is available upon request. The Council has had due regard to the needs set out in section 149(1) of the Equality Act 2010. It considers that the proposed Order is consistent with the section 149 public sector equality duty, which it has discharged.

## **6. IMPACT ON HUMAN RIGHTS**

The proposals are considered to have a minimal impact on human rights (such as the right to respect for private and family life and the right to peaceful enjoyment of property). However, the Council is entitled to affect these rights where it is in accordance with the law, necessary (in the interests of public safety or economic well-being, to prevent disorder and crime, to protect health, or to protect the rights and freedoms of others), in pursuit of a legitimate aim and proportionate to do so. The proposal(s) within this report are considered to be in accordance with the law, necessary, in pursuit of a legitimate aim and proportionate.

## **7. SOURCE OF FINANCE**

The scheme is being funded through cost code: TLN00063
