3. **PROPOSAL**

To implement various parking / waiting restrictions around the North West area of Bath as requested by the local Ward Members (of behalf of their residents) or Council Officers.

4. **REASON**

Please refer to the separate Statement of Reasons document attached to this report regarding TRO 25-024.

The Council has had in mind and discharged the duty (as set out in section 122(1) of the Road Traffic Regulation Act 1984) to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) so far as practicable. It has also had regard to the factors which point in favour of imposing additional Double Yellow Line restrictions on the High Street - Weston, Cedric Road, Roseberry Place, Cranwells Park, and Old Newbridge Hill, Bath and imposing Zone 26 Permit Holder parking on Hungerford Road, Bath and imposing a Disabled Parking Bay on Roseberry Place, Bath within the North West area of Bath. It has balanced the various considerations and concluded that it is appropriate to promote these proposed restriction amendments to prevent obstruction of the highway, improve visibility splays at junctions and provide additional on-street parking provision. The Council has also considered and discharged its network management duty under section 16 of the Traffic Management Act 2004. It has concluded that the proposed restrictions are consistent with that duty, having regard to its other policies and objectives.

5. **IMPACT ON EQUALITIES**

An Equality Impact Assessment has been undertaken in relation to proposed restrictions outlined above, which is available upon request. The Council has had due regard to the needs set out in section 149(1) of the Equality Act 2010. It considers that the proposed Order is consistent with the section 149 public sector equality duty, which it has discharged.

6. **IMPACT ON HUMAN RIGHTS**

The proposals are considered to have a minimal impact on human rights (such as the right to respect for private and family life and the right to peaceful enjoyment of property). However, the Council is entitled to affect these rights where it is in accordance with the law, necessary (in the interests of public safety or economic well-being, to prevent disorder and crime, to protect health, or to protect the rights and freedoms of others), in pursuit of a legitimate aim

and proportionate to do so. The proposal(s) within this report are considered to be in accordance with the law, necessary, in pursuit of a legitimate aim and proportionate.

7. SOURCE OF FINANCE

This proposal is being funded by the capital Area Parking Review budget, project code TCJ0009S.

8. CONSULTATION REQUIREMENT

The proposal requires consultation with the Chief Constable, Emergency Services, Road Haulage Association, Freight Transport Association (Logistics UK), Parking Services, Waste Services, Ward Members and the Cabinet Member for Highways.

9. COMMENTS RECEIVED TO DATE

Chief Constable

Enforcement of waiting restrictions within the Bath and North East Somerset Council area rests with Bath and North East Somerset Council Parking Services. Consideration regarding the potential displacement of existing parking, and the enforcement needs of these restrictions should be of importance. The proposals should meet the aspirations behind their introduction.

Plan 1 – High Street, Weston, Bath – The No Parking At Any Time restrictions were requested by the Traffic Management Team due to the pavement widening in this location which reduced the width of the highway.

Plan 2 – Cedric Road, Bath – The No Parking At Any Time restrictions were requested by the local Ward Member to remove the existing Permit Holder parking bay to improve access for a local resident.

Plan 3 – Roseberry Place, Bath – The No Parking At Any Time restrictions and Disabled Parking bay were requested by Parking Services to formalise the existing parking arrangements on-site.

Plan 4 – Cranwells Park, Bath – The No Parking At Any Time restrictions were requested by the local Ward Member to prevent obstruction of the highway.

Plan 5 – Old Newbridge Hill, Bath – The No Parking At Any Time restrictions were requested by a local resident to prevent obstruction and improve access and visibility at the rear lane entrance to properties on the south eastern side of Old Newbridge Hill.

Plan 6 – Hungerford Road, Bath – The removal of the existing Disabled Parking bay and extension of the Zone 26 Permit Holder parking on the south western side of Hungerford Road was requested by the local Ward Member as the existing Disabled Parking bay is no longer required.
