

OFFICER DECISION REPORT – RAISED TABLE SPEED HUMPS

2

PRELIMINARY CONSULTATION (Cabinet Member for Sustainable Transport Delivery)

PREPARED BY: Traffic Management Team, Highways and Traffic Group

TITLE OF REPORT:	North Road, Timsbury
PROPOSAL:	Raised Table Speed Hump
SCHEME REF No:	25-069
REPORT AUTHOR:	Lewis Cox

1. DELEGATION

The delegation to be exercised in this report is contained within **Part 3, Section 4** of the Constitution under the **Delegation of Functions to Officers**, as follows:

Section A	The Chief Executive, Strategic Directors, Divisional Directors and Heads of Service have delegated power to take any decision falling within their area of responsibility....”
Section B	Without prejudice to the generality of this, Officers are authorised to: serve any notices and make, amend or revoke any orders falling within his/her area of responsibility.
Section D9	An Officer to whom a power, duty or function is delegated may nominate or authorise another Officer to exercise that power, duty or function, provided that Officer reports to or is responsible to the delegator.

For the purposes of this report, the Director of Place Management and the Head of Highways Delivery holds the delegated power to make, amend or revoke any Orders.

2. LEGAL AUTHORITY

This proposal is also made in accordance with The Highways Act 1980 Section 90A which permits a highway authority to both construct and remove road humps in a public road, for which they are the highway authority, if the highway is subject to a legal speed limit for motor vehicles of 30 miles per hour or less or the road humps are specially authorised by the Secretary of State.

3. PROPOSAL

To introduce a new raised table speed hump on North Road, Timsbury. The proposal consists of:

- Raised table speed hump North Road, Timsbury centred approximately 114 metres east of its junction with Lippiatt Lane, Timsbury.

The proposal is shown on the attached drawing TCH0031_NR03

4. REASON

Please refer to the Statement of Reasons.

The Council has had in mind and discharged the duty (as set out in section 122(1) of the Road Traffic Regulation Act 1984) to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) so far as practicable. It has also had regard to the factors which point in favour of imposing raised table speed humps. It has balanced the various considerations and concluded that it is appropriate to promote raised table speed humps. The Council has also considered and discharged its network management duty under section 16 of the Traffic Management Act 2004. It has concluded that the proposed raised table speed humps are consistent with that duty, having regard to its other policies and objectives.

5. IMPACT ON EQUALITIES

An Equality Impact Assessment has been undertaken in relation to the introduction of traffic management measures, which is available upon request. The Council has had due regard to the needs set out in section 149(1) of the Equality Act 2010. It considers that the proposed Order is consistent with the section 149 public sector equality duty, which it has discharged

6. IMPACT ON HUMAN RIGHTS

The proposals are considered to have a minimal impact on human rights (such as the right to respect for private and family life and the right to peaceful enjoyment of property). However, the Council is entitled to affect these rights where it is in accordance with the law, necessary (in the interests of public safety or economic well-being, to prevent disorder and crime, to protect health, or to protect the rights and freedoms of others), in pursuit of a legitimate aim and proportionate to do so. The proposal(s) within this report are considered to be in accordance with the law, necessary, in pursuit of a legitimate aim and proportionate.

7. SOURCE OF FINANCE

The proposal is being funded through the 2025/26 Local Active Travel & Safety programme.

8. CONSULTATION REQUIREMENT

The proposal requires consultation with the Chief Constable, Emergency Services, Road Haulage Association, Freight Transport Association (Logistics UK), Parking Services, Waste Services, Ward Members and the Cabinet Member for Highways.

9. COMMENTS RECEIVED TO DATE

Emergency Services

Chief Constable:

Thank you for your email and attachments regarding the proposal to install a raised table speed hump on North Road, Timsbury, sited centred approximately 114 metres east of its junction with Lippiatt Lane, Timsbury, as shown on the attached drawing TCH0031_NR03.

It is understood from the Statement of Reasons that “Funding has been secured to install several pedestrian improvements and speed reduction measures within the village of Timsbury, and North Road has been highlighted as a priority location by the local Ward Member and Timsbury Parish Council.

It is considered that the proposed raised table speed hump would improve road safety for pedestrians and help to reduce vehicle speeds in North Road.”

The proposal should meet the aspirations behind its introduction.

Ward Member:

Cllr Shaun Stevenson-McGall – This is one of two primary pedestrian crossing points along North Road to enable residents to access community facilities as they go either north (to the The Seven Stars, shops and St Mary’s CoE Primary School) or south (to The Square, Fish n Chip Shop, Pharmacy and GP Surgery).

This location is the site of the school crossing patrol. Outside peak commuter times when North Road is extremely congested, traffic speeds increase considerable.
