Consultation Notice

Proposed Street Tree Felling

Section 96a Highways Act 1980

Consultation Reference: Woodpecker Avenue 003202

NOTICE is hereby given that Bath & North East Somerset Council, as the Highways Authority proposes to fell this street tree, Oak, Quercus robur 003202, which is situated on Woodpecker Avenue Midsomer Norton, Radstock BA3 4NN.

The tree is a healthy young tree which was originally planted by developers when the estate was built. The tree has outgrown the space available due to its proximity to neighbouring domestic dwellings and still has much more growing to do before it reaches its mature size. The tree is therefore not suitable for the location.

A replacement tree will be planted at a suitable location in the surrounding area.

If you wish to respond to this consultation, or find out further information, you can do so by writing or emailing the undersigned quoting the above reference number shown, no later than **4/1/2027**

Responses must state if you are against or in favour of the proposed felling, as well as reasoning to support your response. Please ensure to include your full name and either your home address or email address in order for us to make you aware of our decision following the consultation.

A decision response to this consultation will be published no later than 28 days before the tree is felled. The results of this consultation will remain applicable for a period of 2 years. Notices of this proposal are also posted on the tree in question. This notice is also available to view on the Councils website, which can be accessed by following Bath & North East Somerset Council and search Duty to consult.

This notice can also be found on the council's website
