

Service Standards – Parish Charter Planning - Development Management

B&NES Action- Development Management Case Officer	Parish and Town Council Development Management Lead
We will identify named case officers.	We will contact Planning Case Officers in the first instance if we need advice.
We will be as flexible as possible re consultation timescales.	We will contact case officer if need to extend.
We will prepare notes to Clerks re major changes to Planning law/policy.	We will use the national planning portal to keep updated on national policy.
We will consult Parish and Town Councils electronically following the registration of planning applications.	
We will maintain a webpage giving advice and support to Town and Parish Councils.
