

Bath Walk/Ride Map

Welcome to Bath

Our city is a UNESCO World Heritage Site, identified as a masterpiece of human creative genius. Key features include the natural hot springs, the Roman baths, the outstanding Georgian architecture and town planning, and the beauty and harmony of the city in its landscape setting. Bath is also a modern, living city; a centre of wellbeing, business, education and culture.

The city centre is compact and best experienced on foot. This free map forms part of the Bath City Information System which is designed to help you to discover, access and enjoy Bath's many sights and attractions. It is a 40 minute walk from bottom to top.
