## Neighbourhood Planning in B&NES

Neighbourhood planning is a right for communities introduced through the Localism Act 2011. Communities can shape development in their areas through the production of Neighbourhood Development Plans, Neighbourhood Development Orders and Community Right to Build Orders.

Neighbourhood Development Plans become part of the Local Plan and the policies contained within them are then used in the determination of planning applications. Neighbourhood Development Orders and Community Right to Build Orders allow communities to grant planning permission either in full or in outline for the types of development they want to see in their areas.

The local parish or town council will lead on neighbourhood planning in their areas. Where one does not exist then a community group known as a neighbourhood forum needs to be established to lead. The Localism Act recognises that not all communities are residential in nature and as such in areas that are predominantly commercial then a business led neighbourhood forum can be established.

The Local Planning Authority is involved and will make decisions at key stages of the process, such as approving the neighbourhood area within which the Neighbourhood Development Plan will have effect. It will also organise the independent examination of the plan and the community referendum that is held at the end of the process.

The referendum is an important part of the process allowing those that live in the neighbourhood area to decide whether or not the Neighbourhood Development Plan, Neighbourhood Development Order or Community Right to Build Order comes into effect or not. This is direct democracy and outlines the importance of working with the wider community and securing their support at an early stage in the process.

## Claverton Neighbourhood Plan Area Designation

In 2017 Claverton Parish Council decided to develop a Neighbourhood Plan under the terms of the Localism Act 2011, to provide a legal basis for residents to determine the future for their community.

## Examination

In July 2019, B&NES Council appointed an independent examiner, Ms Janet Cheesley BA (Hons) DipTP MRTPI, to review the Plan and consider whether it should proceed to referendum.

The examiner's report was received on 2nd August 2019 and concluded that subject to making the modifications recommended in the report, that the draft Plan meets the Basic Conditions and should proceed to referendum. The examiner also recommended that the area for the referendum should not extend beyond the Neighbourhood Area to which the plan relates.
