### Profile

***The text here is from the school's website:***

It is my privilege to welcome you to Bath Community Academy which opened on 1st September 2012. This new coeducational academy, which is part of the Cabot Learning Federation, exists on the site of the previous Culverhay School and is building towards becoming Outstanding in every area in order to maximise the educational experience and achievement of each student.

Having been an academy Principal for the past 5 years I understand the importance of providing clear structure and vision. Our vertical tutoring communities are called Respect, Friendship and Excellence and underpin the ethos and attitude of the students and staff. Following a Section 8 Ofsted inspection in February 2013 the academy no longer requires 6 monthly monitoring visits, spending as little time as possible in Special Measures (OfSTED Jan 2012 – predecessor Culverhay School). This is an achievement which has now launched the academy into the next phase of improvement towards Good and onto Outstanding. The academy will continue to be strategically developed under the following headings:

Leadership and Management  
Behaviour and Safety  
Teaching and Learning  
Achievement

Complemented by a change of name, uniform and building layout, I am confident that the future will be very exciting as a new thirst and relentless drive for achievement of optimum potential in every student begins to define what it means to be a Bath Community Academy student.

## Sources and notes

Because each year group is made up of different pupils, with different prior attainment and other characteristics, results may fluctuate from year to year for reasons to do with the pupils rather than the school. Small fluctuations from year to year are unlikely to be significant, particularly if the school's year group is small.
