

Chandag Infant School

2021/22 ACADEMIC YEAR PRIMARY ADMISSIONS CRITERIA

Introduction

Chandag Infant School is an Academy and as such the Governing Body is the admissions authority.

How to make an application for a place

Chandag Infant School is part of Bath and North East Somerset's Co-ordinated Admissions Scheme. All applications for admission must be submitted to your home Local Authority (LA) by the published closing date. The LA will forward all applications to the school and the Governing Body will rank all applications against the admissions criteria. The ranked list will then be returned to the LA under the coordinated admissions scheme and they will make a single offer of a place on the published date.

Published Admissions Number

The Academy has a Published Admission Number of 60 which means that it will admit 60 children into Reception Class. This includes children with Statements of Special Educational Need or Education, Health and Care Plans (EHCP) where the Academy is the identified education provider. If 60 or fewer applications (including those from the parents of children in receipt of a Statement of Educational Need and those in receipt of an Education, Health and Care Plan) are received, all those applying will be offered places. If the Academy receives more than 60 applications, i.e. the Academy is over-subscribed, the following procedure is followed:

Special Educational Needs

The Special Educational Needs Code of Practice requires that Governing Bodies admit any children with a Statement of Special Educational Need or an EHCP naming Chandag Infant School, before it will consider any other applications.

Following the admission of any children with a Statement of Special Educational Need or an EHCP, the Governing Body will consider all other applications received by the closing date. Where there are fewer applications than places available within the school's Published Admission Number, the Governing Body will admit those children. Where there are more applications received than there are places available within the required year group, the Governing Body will consider all on time applications against the criteria as set out below.

PRIORITY A

Children in Public care [Looked after Children] or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order.

PRIORITY B

Children who live within a 1.5 mile radius of the school and for whom there will be a sibling in attendance at either Chandag Infant or Chandag Junior School on the admission date at the preferred school.*

Children who live outside a 1.5 mile radius of the school but it is their **closest** School and for whom there will be a sibling in attendance at either Chandag Infant or Chandag Junior School on the admission date at the preferred school.*

PRIORITY C

Children of staff where that member of staff has been employed for two or more years at the time at which the application for admission to the Academy is made and/or where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

PRIORITY D

Children who live closest to the school as measured in a direct line.

Additional Notes

Please note that applications for Chandag Infant School should be made through the family's home local authority by the national closing date of 15th January 2021.

For Priority C applicants the Academy's Supplementary Information Form must also be completed and returned direct to the Academy by the closing date of 15th January 2021.

To be considered under the above criteria parents must have named the school as a preference. Under the above criteria all preferences are considered equally. If a child qualifies for more than one school they will be offered their highest preference as stated on their application form.

The 1.5 mile radius will be measured from the address point of a school as defined by the Local Land & Property Gazetteer (LLPG). In all cases, distances will be measured in a direct line from the address point of the child's home address to the address point of a school as defined by the Local Land & Property Gazetteer (LLPG). Measurements will be determined using the Local Authority's GIS computerised mapping system.

Oversubscription Criteria

If under all the above criteria any single category resulted in oversubscription, those living closer to the preferred school would receive the higher priority. Where there is more than one applicant ranked equally according to the published admission criteria and there are insufficient places available to allocate all of the equally ranked applicants the place(s) will be allocated by random allocation.

Late Applicants: Any late applicants should complete their home LA's common application form and return it to their home LA as soon as possible. In line with agreed co-ordinated admission procedures the Academy will be informed of any late applications received.

Waiting List

Unsuccessful applicants will have the opportunity to go on the Waiting List. Places in Reception Class are offered from the Waiting List in accordance with the oversubscription criteria. The Waiting List will be kept open until March. Please note that Looked After Children, Previously Looked After Children and those allocated a place at the school in accordance with a Fair Access Protocol must take precedence over those on the waiting list.

Every effort will be made to contact applicants on the waiting list using the last contact details provided by the applicant, but, where a response to an offer has not been received within 10 school days, the offer will be withdrawn and the available place offered to the next child on the waiting list to qualify for the available place.

Home Address

The child's home address is defined as the permanent address where he or she generally resides with their parent. Temporary addresses may not be used. Where the parent/guardian/carers of the child have separated, the home address of the child will be regarded as the address at which the child sleeps for the majority of the weekdays.

The Academy reserves the right to investigate home addresses and may ask applicants to supply further evidence of the home address. This may include Council Tax, Electoral Roll, Utility Bill records,

GP registration, and Child Benefit records. A place allocated on the basis of fraudulent information may be withdrawn.

Definitions

- Siblings are defined as children who are brother or sister; half brother or sister; adopted brother or sister; step brother or sister; the child of the parent/carers partner; and in every case the child should be living in the same family unit at the same address.
- A member of Academy staff is defined as full time and part time, teaching and non-teaching staff employed by the Academy and who are paid through the school's payroll system.

Definition of statutory school age for primary phase children

Legally, children do not have to be in full time education until the term following their fifth birthday: this is the compulsory school age.

Child's fifth birthday	Can defer until	If I defer which class will my child join
1 September – 31 December	January	Reception class
1 January – 31 March	April	Reception class
1 April – 31 August	Please see section 2.9 below, but if a summer-born child defers entry until the following September they would usually be expected to enter a Year 1 class full-time	

However, children are normally admitted to school in the September following their fourth birthday.

Deferred entry to Reception

Where an applicant to Reception is below compulsory school age the parent(s) can request:

- a. that the date their child is admitted is deferred until later in the academic year or until the term in which the child reaches compulsory school age (see section 2.7 above), or
- b. that their child takes up the place part-time until the child reaches compulsory school age.

Delayed entry to Reception

Summer born children (children born from the beginning of April to the end of August) reach compulsory school age in the September following their fifth birthday. If a parent/carer wishes for their summer born child(ren) to start school in the reception year group in the September following their fifth birthday, the Trust will make a decision based on the circumstances of the individual case. Factors considered may include:

- in the case of children born prematurely, the fact that they may have naturally fallen into the lower age group if they had been born on their expected date of birth;
- whether delayed social, emotional, cognitive or physical development is adversely affecting their readiness for school;
- whether they have previously been educated outside their normal age group.

Children placed in a year group below their chronological age will have to start school full-time immediately, as they will be compulsory school age. They will also reach statutory school leaving age before completing Key Stage 4 courses. Parents/carers will be expected to support their child's continuing school attendance beyond the statutory school leaving date in order to ensure completion of Key Stage 4.

Where the Trust indicates willingness to accept an application from a child placed out of year group, this will not guarantee a place at the preferred school as any application will be have to be made with

the admissions round for the year in which the child is starting school and considered against the published admission criteria.

In Year Admissions (i.e. all applications for existing year groups)

All applications must be made directly to the Academy. An application is made by completing an application form which must be forwarded to the Academy. If no form is submitted the Academy will not be able to process the application.

All applications will be considered by the Admissions Committee of the Governing Body and places will be offered if this will not prejudice efficient education of others at the Academy or the efficient use of resources.

Where there are more applicants at any one time than there are places available, priority will be determined by applying the Oversubscription Criteria as set out above.

Admission Appeals

If the Governing Body does not offer a child a place at this school, this will be because to do so would prejudice the education of other children by allowing the number of children in the school to increase too much.

Parents whose application is turned down by the Governing Body have the legal right to appeal to an Independent Appeals Panel (IAP). Details of how to appeal will be explained in the decision letter. The IAP's decision is binding for all parties concerned.

Monitoring and Review

The Governing Body will monitor this admissions policy and it will be reviewed at least every two years or sooner if required.
