Writhlington School Sixth Form - Admissions 2021/22 (under consultation)

Entry to Writhlington Sixth Form is by application to the Head of Sixth Form. Applications from external candidates are very welcome. Students applying to Writhlington School Sixth Form from other schools are invited to meet the Head of Sixth Form to discuss their option choices and references are requested from their previous school. The references enable us to assess the students' predicted GCSE grades. In considering applications, our aim is to accept students on to courses which they can be expected to have a good chance of success. Students are asked to make provisional course choices. This is not a final commitment and they will be able to reconsider their options after GCSE results are published and in light of the school timetable.

The deadline for all applications for September 2021 is 6th December 2020, although late applications will always be considered. Students who apply before the deadline will be given priority if a class becomes oversubscribed. The school currently caters for GCE A level and BTEC students between the ages of 16 to 19. We only enrol full time students. All students are expected to study three advanced level courses and/or BTECs. The admissions number for Writhlington School's Sixth Form is 200 students.

The Sixth Form has a code of conduct that students are expected to sign when they join and all students are expected to follow our programme of study which includes tutor time, work experience, as well as all of their lessons.
