Making big choices on transport through the Somer Valley from Bath to Bristol

■ Somer Valley Links

Covers travel between Midsomer Norton, Westfield and Radstock and Bath/Bristol along the A37, A362 and A367.

■ Proposals

- Improving bus stops
- Extending bus lanes and improving junctions
- Creating new cycling and walking routes
- Introducing what are known as "mobility hubs" - places where you can switch between different types of transport easily

Have your say
